Manufactured by **KERR-MCCOY CHEMICAL CORP.** Jacksonville, Florida, U.S.A.

USE PRECAUTIONS—Do not apply or allow to drift to areas occupied by unprotected humans or beneficial animals. Do not allow children or pets on treated turf until insecticide is washed off the grass into the soil and grass is completely dried. During commercial or prolonged exposure in spray-mixing and loading operations, wear clean, synthetic rubber gloves and a mask or respirator of a type passed by the U.S. Bureau of Mines for Dieldrin protection. Use this product only for recommended purposes and at recommended dosages.

FIRST AID. If swallowed, induce vomiting by sticking finger down throat or by giving soapy or strong salty water to drink. Repeat until vomiting is clear. Call a physician. Never give any thing by mouth to an unconscious person. If inhaled, remove to fresh air. If not breathing give artificial respiration, preferably mouth to mouth. If breathing is difficult, give oxygen. Call a physician. In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes while removing contaminated clothing and shoes. Call a physician. Wash clothing before reuse. Discard contaminated shoes.

DANGER TO FISH AND WILDLIFE

This product is highly toxic to fish and wildlife. Do not contaminate streams, lakes, or ponds with this material. Birds feeding on treated areas may be killed. Do not apply when weather conditions favor drift from areas treated.

CONTAINER DISPOSAL

Do not reuse container. Glass containers should be decontaminated and broken. For metal containers, decontaminate and punch holes in them. Dispose of by burying with wastes or by burning. Keep away from smoke and fumes.

CONDITIONS OF SALE
