FASCO Toxaphene 40-WP is a dry wettable insecticidal powder containing Toxaphene. It is a contact and stomach poison with residual action. This product is designed for use in water as a spray for control of certain insect pests as directed below.

DIRECTIONS

Use contrary to these directions may result in injury to the foliage, in unsatisfactory control, excessive residues or in other unintended consequences.

TOMATOES — Against Leaf Miners, Thrips, Armyworms, Tomato Fruitworm, Climbing Cutworms, use 5-8 lbs. per acre in 100 gallons of water when insects first appear. Repeat as needed. Do not exceed 10 pounds per acre, do not apply later than 3 days before harvest.

BEANS — Against Leaf Miners, Bean Leaf Roller, and Thrips - use 4-6 lbs. per acre in 100 gallons of water. Apply when insects first appear, repeat as needed. Do not apply after pods begin to form. Do not exceed 10 pounds per acre. Do not feed treated vines to dairy animals or animals being finished for slaughter.

CELERY — Against Climbing Cutworms, Fall Armyworms, Celery Looper, use 4-6 lbs. per acre in 100 gallons of water. Apply when insects first appear, repeat as needed. Do not apply after plants start to bunch or are half mature. Do not exceed 10 pounds per acre.

CABBAGE, CAULIFLOWER, BROCCOLI, LETTUCE — Against Imported Cabbage Worms, Loopers, and Diamond Back Moth larvae use 4-6 lbs. per acre in 100 gallons of water. Apply when insects first appear, repeat as needed. Do not exceed 10 pounds per acre for Cabbage, Cauliflower, Broccoli, or Lettuce. Do not use after head, buds, or edible parts begin forming on Broccoli, Cauliflower, Head Lettuce or Cabbage. Do not apply to leaf lettuce after the seedling stage.

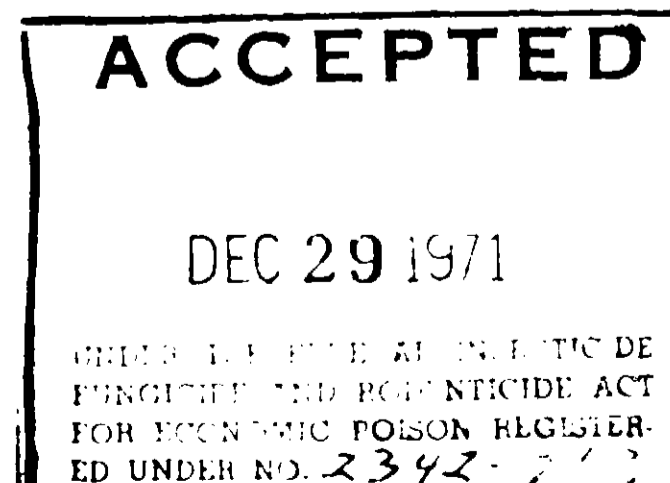

CITRUS — Against Grasshoppers, use 8 to 10 pounds per acre in 100-150 gallons of water. Apply for general outside tree coverage following disking or chopping of cover crop. Do not apply within 30 days of harvest. Do not exceed 10 pounds per acre.

TURF — Against Armyworms and Sod Webworms, use 1 1/2 lbs. in 50 gallons of water to cover 5,000 Sq. Ft. of lawn as needed. NOTE: Keep children and pets off treated lawns or other turf areas until the insecticide has been washed off by sprinkling and the grass has completely dried.

ACTIVE INGREDIENT	BY WT.

WARNING: Keep Out of the Reach of Children. See additional cautions on this label.

WARNING

May be Fatal if Swallowed! Do not breathe dust or spray mist. Do not get in eyes, on skin or on clothing. Do not store near feed and foodstuffs.

Do not apply when weather conditions favor drift from areas treated. Do not apply to forage crops that are to be fed to dairy animals or meat animals. Do not use this product on Toxaphene sensitive plants such as cucurbits, melons, peppers or turnips. The repeated or heavy use of Toxaphene may cause Chlorosis and thickening of the leaves of certain plants. Wash thoroughly after using this material and before eating or smoking.

DANGER TO FISH AND WILDLIFE

This product is poisonous to fish and wildlife. Keep out of lakes, streams and ponds. Do not apply when weather conditions favor drift from treated areas. Birds feeding on treated areas may be killed. Apply only as stated on this label.

CONTAINER DISPOSAL

Do NOT re-use empty container. Destroy it by burying with waste or by burning. Stay away from smoke or fumes.

NOTE — Crops having residues in excess of their permitted tolerances should not be marketed and to do so may violate State law and will violate Federal law when sold in interstate commerce. Such crops should not be marketed without removal of such excess residues.

CONDITIONS OF SALE

All statements concerning the use of this product apply only when used as directed. The manufacturer makes no warranties, expressed or implied, concerning this product or its use, which extend beyond the description on the label. Read all directions carefully.
