HEPTA GRANULAR-10

Product No.
3-0914-1

FASCO HEPTA-GRANULAR-10 is a granular insecticide containing 10% Heptachlor for application as a soil treatment against certain soil borne insects as directed below. Application can be made by ground operated  dusters, with various broadcast seeders, or with certain types of fertilizer spreaders.

DIRECTIONS

Use contrary to these directions may cause serious plant, crop or personal injury, excessive residues, unsatisfactory control or other unintended consequences.

TURF (LAWNS, PARK AREAS, GOLF COURSES, CEMETERIES, NURSERIES) — Against Ants, Chiggers, Earwigs, Fleas, Grasshoppers, Ticks, White Grubs, White-Fringed Beetle Larvae, and Japanese Beetle Larvae apply 20 pounds per acre as broadcast application. Wash into soil for control of White Grubs, White-Fringed Beetle Larvae, and Japanese Beetles Larvae. Do not graze dairy animals or animals being finished for slaughter on treated turf. Keep children and pets off treated areas until chemical is worked into the soil.

ORNAMENTAL PLANT NURSERIES:

IMPORTED FIRE ANT — Apply broadcast to the entire area using 12.5 lbs. of this product per acre. Work into the soil surface to increase the residual action. Do not apply to grazing lands. Do not use more than 12.5 lbs. of this product per acre.

WARNING: Keep out of the Reach of Children. See additional warning on this label.

ACCEPTED
REC 19 11/11

NOTE: The U.S. Food and Drug Administration has set tolerances for pesticide residues. Crops having residues in excess of their permitted tolerances should not be marketed and to do so may violate State law and will violate Federal law when sold in interstate commerce. Such crops should not be marketed without removal of such excess residues.

FISH AND WILDLIFE PRECAUTIONS

This product is toxic to fish and wildlife. Keep out of lakes, streams, and ponds. Birds feeding on treated areas may be killed. Do not apply where runoff is likely to occur.

CAUTION

Certain plants may be sensitive to heptachlor. To avoid injury, apply when the foliage is dry so that the granules are shed onto the soil.

WARNING

May be fatal if swallowed! Do not breathe vapor, dust or spray mist. Do not get on skin! Wash hands, arms and face with soap and water immediately after using. Do not contaminate feed and foodstuffs. If taken internally use emetic of 1 tablespoon of mustard per glass of water. Call a physician.

CONTAINER DISPOSAL

Rinse equipment and containers and dispose of wastes by burying in non-crop lands away from water supplies. Containers should be disposed of by punching holes in them and burying with wastes, or by burning (Keep out of the smoke.)

CONDITIONS OF SALE

All statements concerning the use of this product apply only when used as directed. The manufacturer makes no warranties, expressed or implied, concerning this product or its use, which extend beyond the description on the label. Read all directions carefully.
