

OILAN

This fine quality spray contains a highly refined insecticidal oil fortified with dependable malathion for effective control of the insects listed below.

DIRECTIONS: Read entire label and follow directions and cautions. Unless directed otherwise below, mix 2½ measuring tablespoons for each gal. of water, or ¼ pt. per 3 gal., ½ pt. per 6 gal. Spray for even, thorough coverage of upper and lower leaf surfaces, stems and fruit.

Camellias: For Aphids, Spider Mites, Mealybugs and Tea Scale insects use above dilution. For heavy Tea Scale use 3½ measuring tablespoons for each gal. of water. Spray in spring and late Sept. if needed.

Azaleas: For Aphids, Spider Mites, Lace Bugs, and Mealybugs, spray as directed above. Apply just after blooming, again in late May and late Sept. and at other times, if needed but within limits of cautions below.

Oranges, Grapefruit, Avocados: For Aphids, Spider Mites, Mealybugs, Whiteflies, and Florida Red Scale, spray as directed above. Follow cautions below. Do not use within 7 days of harvest. Do not apply during full bloom on citrus.

CAUTIONS: Harmful if swallowed. Avoid breathing of spray mist. Avoid contact with skin, eyes, and clothing. Wash thoroughly after using. Avoid contamination of feed and foodstuffs. Never combine this product with sulphur or

lime sulphur sprays. Do not use within 30 days before or after sulphur or lime-sulphur sprays. Do not repeat spraying in less than 30 days. Do not spray if plants are suffering from lack of moisture or if in weakened condition. Do not spray when temperatures exceed 90°F. or expected to approach freezing. Do not spray bearing citrus during Aug. or Sept. and until harvest. Do not use on Maiden Hair Ferns, Cocos Palms, Maples, or on non-woody plants as injury may occur. DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME. Destroy empty container. Do not re-use.

DANGER TO BEES: This product is highly toxic to bees exposed to direct treatment or residues on crops. Protective information may be obtained from your Cooperative Agricultural Extension Service.

DANGER TO FISH: This product is toxic to fish. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

CONDITIONS OF SALE: All statements concerning the use of this product apply only when used as directed. The Manufacturer makes no warranties, expressed or implied, concerning this product or its use, which extend beyond the description on the label. Read all directions carefully.
