

FASCO HERB-A-TURF 400 PLUS is a liquid MSMA formulation, plus surfactant, designed for selective Dallisgrass control in Bermuda turf lawns when applied according to the directions below.

DIRECTIONS

FOR BEST RESULTS SOIL SHOULD BE MOIST AT THE TIME OF APPLICATION. Dry soil may not allow desirable turf to resist the action of chemicals. If soil is dry, irrigate prior to treatment.

RATE OF APPLICATION

Mix at the rate of 2 quarts in 40 gallons of water to treat one (1) acre.

No wetting agent required. Thoroughly mix by agitation or recirculating solution in spray tank prior to application. Two or more treatments about 5-7 days apart may be necessary. HERB-A-TURF 400 PLUS is effective at above rates if air temperature is 80° F. or higher. For temperatures below 80° F. use twice the amount of HERB-A-TURF 400 PLUS to treat the same area.

IMPORTANT: Do not water for at least 24 hours after treatment. Do not use on ST. AUGUSTINE, CARPET OR CENTIPEDE GRASSES.

USE IN ACCORDANCE WITH DIRECTIONS, WARNING AND CAUTION.

Clean equipment after use by flushing with water. Run rinse water in area away from domestic water sources.

HERB-A-TURF® 400 PLUS

LIQUID MSMA plus SURFACTANT
FOR DALLISGRASS CONTROL IN BERMUDA TURF LAWNS

ACTIVE INGREDIENT:
Monosodium Acid Methanearsonate
INERT INGREDIENTS

BY WT.
35.33%
64.67%

TOTAL — 100.00%

Total Arsenic, as elemental, all in water soluble form 16.34%
(MSMA per gallon 4.02 lbs.)

ACCEPTED

January 22, 1973

USE FOR THE FEDERAL INSECTICIDE
FUNGICIDE AND RODENTICIDE ACT
FOR ECONOMIC POISON REGISTER
EPA ORDER NO. 2342-643

2342-643

**CAUTION: Keep Out of the Reach of Children.
See side panel for additional cautions.**

E.P.A. Reg. No. 2342-643

Manufactured by KERR-McGEE CHEMICAL CORP. U.S.A.

USE IN ACCORDANCE WITH DIRECTIONS, WARNING AND CAUTION.

CAUTION: Do not get in eyes or on the skin. If spilled on skin, wash off immediately with warm water and soap. Flush eyes with clear water. Avoid any inhalation of spray mist. Avoid contamination of feed, food-stuffs, streams or other water sources. Keep beyond reach of children and domestic animals. Keep livestock off treated areas. Wash hands after using. Harmful if swallowed.

PRECAUTIONS IN USE

Do not spray or allow to drift onto desirable flowers, trees, shrubs, vegetables, or into lakes or streams. Do not store near fertilizer, fungicides, insecticides or seeds.

ANTIDOTE

If taken internally, induce vomiting and call a physician at once.

CONTAINER DISPOSAL

Do not re-use empty container. Rinse containers and dispose of wastes by burying in non-crop lands away from water supplies.

CONDITIONS OF SALE

All statements concerning the use of this product apply only when used as directed. The manufacturer makes no warranties, expressed or implied, concerning this product or its use, which extend beyond the description on the label. Read all directions carefully.
