CHINCH BUG  
AND  
LAWN INSECT KILLER

CAUTION: Avoid contact with eyes and clothing. Wash hands and face thoroughly after handling. Keep out of reach of children. If swallowed, may be absorbed through skin. Treat lawn with attention. Keep children and pets off treated areas until the following afternoon.

**DIRECTIONS FOR USE**

**LAWN INSECTS**

**OVERALL LAWN APPLICATION**

For the control of the following lawn insects:  
Aphids, Fleas, Beetles, Grubs, etc.  
Apply granules at the rate of 5 lbs. per 1000 sq. ft. (or area  
20' by 50') or 0.5 lb. per 100 sq. ft. (or area 10' by 10'). For heavy  
infestations, application should be repeated by 75 lbs.  
per 1000 sq. ft. or 0.75 lb. per 100 sq. ft.  
**SPOT TREATMENT**  
Apply one 1/2 cup of granules over and around  
each individual insect.  
**CRACKS AND SEAMS**  
Apply one 1/2 cup of granules in and around  
each crack and seam. Walk carefully about lawn when the granules  
are being applied.  
**BAND TREATMENT AROUND THE HOME**  
The following insects are commonly found around the foundation  
of houses and are the cause of many of the most serious pest  
problems:  
Aphids, Beetles, Grubs, etc.  
Apply one 1/2 cup of granules in and around  
each crack and seam. Walk carefully about lawn when the granules  
are being applied.
