

ACCEPTED
 JUL 30 1981
 Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the purpose of registration under EPA Reg. No. 2382-56

7003-2-B

**PRECAUTIONARY STATEMENTS
 HAZARDS TO HUMANS (AND DOMESTIC ANIMALS)
 WARNING**
 Live-stock remedy—not for human use. For external use only. Avoid getting into eyes or mucous membranes. Discontinue use if irritation develops. Harmful if swallowed.
STATEMENT OF PRACTICAL TREATMENT
 If eye exposure occurs, flush eyes with plenty of water. Get medical attention.
PHYSICAL OR CHEMICAL HAZARDS
KEEP AWAY FROM FIRE OR OPEN FLAME.

DIRECTIONS FOR USE
 It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Equi-Shield Gel is especially designed to protect horses and ponies from Stable flies, Horn flies, Horse flies, Deer flies, Face flies, House flies, Mosquitoes, and Gnats.
 Equi-Shield Gel is a ready-to-use wipe on product. Simply lift nozzle on cap and apply squeezing pressure to bottle. Equi-Shield Gel will flow easily onto a gauze pad and can be applied freely on the animal. It is especially adaptable for treating difficult areas, such as the face or head. Avoid the animal's eyes during application. Repeat application daily as required. Equi-Shield Gel will not remove or discolor hair.
 Equi-Shield Gel imparts a high gloss to the coat when brushed out and leaves no embarrassing "greasy" effect to collect dust and dirt prior to showing.

STORAGE AND DISPOSAL DIRECTIONS
STORAGE: Keep away from heat or open flame.
DISPOSAL: Do not reuse empty container. Wrap container and put in trash collection.

Sold Only by Graduate Veterinarians
