

7043-1-A

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS (AND DOMESTIC ANIMALS)
CAUTION**

Harmful if swallowed or inhaled. Avoid skin contact. Avoid inhaling. Avoid contamination of food-stuffs. Wash hands after applying. Discard bottle when empty.

Some cats may be sensitive to F-L-T SPRAY. Do not exceed recommended dose. Do not spray kittens and puppies. For kittens or puppies over 4 weeks of age, wrap the animal in a towel which has been sprayed lightly. Leave the nose and mouth exposed for normal breathing. Keep the animal wrapped for 5 to 10 minutes. Fleas may then be removed from the coat by picking or combing. Carbaryl is a cholinesterase inhibitor. Do not use this product on animals simultaneously or within a few days before or after treatment with or exposure to cholinesterase inhibiting drugs, pesticides, or chemicals. Atropine is antidotal. Consult veterinarian at first sign of adverse reaction.

PHYSICAL OR CHEMICAL HAZARDS

FLAMMABLE! Keep away from heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Rotate the colored ring on spray cap to open. Holding the bottle upright, point nozzle opening in direction spray is desired and pump the cap up and down with forefinger to create spray. From a distance of 6 to 12 inches, direct the spray over the animal until the entire coat is slightly damp. On a heavily coated animal, ruffle the coat and spray against the lay of the hair. For best results in controlling ticks, spray directly on the tick. Thoroughly spray interior of kennel or other sleeping quarters. Repeat treatment as necessary but no more often than once weekly. This spray may discolor the coat of white haired animals in the presence of oxidizing agents. Whitener shampoos and bleaching agents are oxidizing agents. Do not treat rugs, carpets, drapes, and other fabrics. Avoid application to structural surfaces where visible spray residue is objectionable.

STORAGE AND DISPOSAL DIRECTIONS

STORAGE: Flammable. Keep away from heat or open flame.
DISPOSAL: Do not reuse empty container. Wrap container and put in trash collection.
