

MAY 21 1991

Mr. Thomas A. Miller
Virbac, Inc.
2507 Gravel Drive
Fort Worth, TX 76118

Dear Mr. Miller:

Subject: Supra-Quick Mist
EPA Registration No. 2382-86
Your Letters Dated February 12, and April 25, 1991

The proposed amendment to the registration for the product cited above under the Federal Insecticide, Fungicide, and Rodenticide Act, adding claims for bird lice on caged birds and for cage mites is acceptable.

The additional label bearing these uses is acceptable and a stamped copy is enclosed for your records.

Sincerely yours,

Richard F. Mountfort
Product Manager (10)
Insecticide-Rodenticide Branch
Registration Division (H7505C)

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

FOR BIRD LICE

For control of bird lice on caged birds, leave bird in cage but remove food, water and containers. Remove cap from pump sprayer. Depress pump with index finger repeatedly to initiate spray. Spray a light coating directly on bird, avoiding the birds eyes, until feathers are damp.

Repeat as necessary but not more often than two times a week.

FOR CAGE MITES

For cage mite control, remove bird, food, water and containers. Spray cage thoroughly until all surfaces are damp, being careful to reach into corners and crevices. Clean cage with hot water as a weekly routine.

KILLS - Lice and cage mites

GROOMS - Conditions plumage with Lanolin

DEODORIZES - Imparts a pleasing residual aroma.

Net Wt. on bottom of container.
