Preventic™ L.A.

Flea and Tick Spray for Dogs

Kills Fleas for 2 months and Ticks for 1 month.

DIRECTIONS FOR USE: Use as directed on the label. Do not use this product in a manner inconsistent with its labeling. Spray in a well ventilated area. Wear rubber gloves when spraying. Remove cap and insert spray gun. Hold container upright and spray the animal from a distance of 8-12 inches. Point nozzle toward animal and start spraying at the tail, moving the container rapidly and making sure the coat is thoroughly wetted down to the skin. Spray against the lay of the hair, ruffling the coat on the long-haired dogs. Weight of dog, length of hair and density of coat will determine amount of spray to be applied to wet the skin. This 8 oz. bottle should be sufficient for three applications at one month intervals to an average 30-35 lbs. dog. Lighter applications will reduce period of effectiveness and require more frequent treatments. Allow dog to air dry or blow dry. Do not towel dry.

PRECAUTIONARY STATEMENT **HAZARDS TO HUMANS AND DOMESTIC ANIMALS** **CAUTION**

HAZARDS TO HUMANS: Harmful if absorbed through the skin, may cause eye irritation. Do not get in eyes or on skin or clothing. Harmful if swallowed. Avoid breathing spray mist. Use only in a well ventilated area. Avoid contamination of food. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

HAZARDS TO ANIMALS: Do not use on cats. Do not use on pups under 3 months of age. Do not spray in eyes, face or on genital area. *Until dry, do not confine treated dog in area without adequate cross ventilation.* In the event dog exhibits an adverse reaction from use of this product, it can be readily removed by bathing with soap and water.

PHYSICAL OR CHEMICAL HAZARDS ✓

Do not use or store near heat or open flame. ✓

STATEMENT OF PRACTICAL TREATMENT ✓

If in Eyes: Flush with plenty of water. Call a physician if irritation persists. ✓

If on Skin: Wash with plenty of soap and water. ✓

STORAGE AND DISPOSAL

STORAGE: Store in a cool area away from heat and open flame, and out of reach of children.

DISPOSAL: Do not reuse empty container. Wrap in several layers of newspaper and discard in trash.
