# EQUI-SHIELD™

## FLY REPELLENT GEL INSECTICIDE REPELLENT

An insecticide-repellent and coat conditioner especially designed to protect horses and ponies from stable flies, horn flies, horse flies, deer flies, face flies, houseflies, mosquitoes and gnats.

### ACTIVE INGREDIENTS:

Pyrethrins	0.10%
Piperonyl Butoxide*, Technical	1.00%
N-Octyl bicycloheptene dicarboximide	0.50%
Butoxypropylglycol	10.00%
INERT INGREDIENTS	88.40%
	<u>100.00%</u>

\*Equivalent to .80% (butylcarbityl) (6-propylpiperonyl) ether and .20% related compounds.

**WARNING: KEEP OUT OF REACH OF CHILDREN. SEE**

64 fl oz. (1/2 gal.)

### PRECAUTIONARY STATEMENTS

#### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: Livestock remedy - not for human use. For external use only. Irritation to skin, eyes, nose, throat, or mucous membranes. Discontinue use if irritation develops. Harmful if swallowed.

#### STATEMENT OF PRACTICAL TREATMENT

If eye exposure occurs, flush eyes with plenty of water. Get medical attention immediately.

#### PHYSICAL OR CHEMICAL HAZARDS

WARNING - FLAMMABLE! KEEP AWAY FROM HEAT OR OPEN FLAME.

#### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with the label directions. **APPLICATION:** Equi-Shield™ Fly Repellent Gel is a ready-to-use wipe on fly repellent. Equi-Shield™ Fly Repellent Gel will flow easily onto a gauze pad and can be applied freely to the horse's coat, especially adaptable for treating difficult areas such as the face or head. Avoid contact with the horse's eyes, nose, mouth, and ears during application. Repeat application daily as required. This gel will not rub off. Equi-Shield™ Fly Repellent Gel imparts a high gloss to the coat when brushed on. It does not have an embarrassing "greasy" effect to collect dust and dirt prior to showing.

#### STORAGE AND DISPOSAL DIRECTIONS

**STORAGE:** Flammable! Keep away from heat or open flame.

**DISPOSAL:** Do not reuse empty container. Wrap container and put in trash.
