

16 MAR 1992

Thomas A. Miller, Ph.D.  
Virbac, Inc.  
2507 Gravel Drive  
Fort Worth, TX 76118-6904

Dear Dr. Miller:

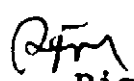

Subject: Revised Confidential Statements of Formula (Basic & Alternate); Revised Labeling to delete Flammability Statements  
Equi-Shield Fly Repellent Gel (CC Rider)  
EPA Reg. No. 2382-91  
Pet-Guard Gel Forte  
EPA Reg. No. 2382-92  
Submission dated February 19, 1992

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below.

Since your formula has been changed, provide us with product chemistry data on the new formulations. Also submit the study on which the claim --Flash Point/Flame Extension equals 160 degrees Fahrenheit-- is based.

This will also acknowledge receipt of the revised basic and alternate formulations for the subject product. This amendment is acceptable, and a copy of the Confidential Statements of Formula has been placed in the respective file. However, revise your Formulas so that section 13 b. on the Confidential Statements of Formula total 100 percent.

Sincerely,

Richard F. Mountfort  
Product Manager (10)  
Insecticide-Rodenticide Branch  
Registration Division (H7505C)

CHILDREN. SEE BACK PANEL FOR  
ADDITIONAL PRECAUTIONARY  
STATEMENTS**

**8 fl. oz.**

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND  
DOMESTIC ANIMALS**

**WARNING:**

Animal remedy - not for human use. For external use only. Avoid getting into eyes or mucous membranes. Discontinue use if irritation develops. Harmful if swallowed.

**STATEMENT OF PRACTICAL TREATMENT**

If eye exposure occurs, flush eyes with plenty of water. Get medical attention if irritation persists.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with labeling.

**APPLICATION:** Pet-Guard Gel Forte is a ready-to use wipe-on product. Simply lift nozzle cap and apply squeezing pressure to bottle for easy flow of product onto palm of hand or desired area, then rub into coat. Pet-Guard Gel Forte imparts a high gloss to the coat when rubbed in or brushed out leaving no other visible sign of treatment. It is especially adaptable for treating difficult areas, such as the face or ears and will not blister, remove or discolor hair. Avoid the pet's eyes during application.

**STORAGE AND DISPOSAL DIRECTIONS**

**STORAGE:** Store in a cool dry area.

**DISPOSAL:** Do not reuse empty container. Wrap container and put in trash.
