PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING:

Animal remedy - not for human use. For external use only. Avoid getting into eyes or mucous membranes. Discontinue use if irritation develops. Harmful if swallowed.

STATEMENT OF PRACTICAL TREATMENT

If eye exposure occurs, flush eyes with plenty of water. Get medical attention if irritation persists.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with labeling.

APPLICATION: Pet-Guard Gel is an insecticide gel that contains an insect repellent and sunscreen. To apply, simply lift nozzle cap and apply squeezing pressure to bottle for easy flow of product onto palm of hand or desired area, then rub into coat. Pet-Guard Gel imparts a high gloss to the coat when rubbed in or brushed out leaving no other visible sign of treatment. It is especially adaptable for treating difficult areas, such as the face or ears and will not blister, remove or discolor hair. Avoid the pet's eyes during application.

STORAGE AND DISPOSAL DIRECTIONS

STORAGE: Do not use or store near heat or open flame.
DISPOSAL: Do not reuse empty container. Wrap container and put in trash.
