US ENVIRONMENTAL PROTECTION AGENCY OFFICE OF PESTICIDES PROGRAMS REGISTRATION DIVISION (TS-767) WASHINGTON, DC 20460 NOTICE OF PESTICIDE: <input checked="" type="checkbox"/> REGISTRATION <input type="checkbox"/> REREGISTRATION <i>(Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)</i>	EPA REGISTRATION NO. 2382-104	DATE OF ISSUANCE February 7, 1992
	TERM OF ISSUANCE Until Reregistration	
	NAME OF PESTICIDE PRODUCT Preventic Dog Collar	

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Virbac, Inc.
2507 Gravel Drive
Fort Worth, Texas 76118-6904

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data or other material required for registration/reregistration of your product under FIFRA sec. 3(c)(5) or FIFRA sec. 4 when the Agency requires all registrants of similar products to submit such data.
2. Add the phrase, "EPA Registration No. 2382-104" to your label before you release the product for shipment.
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

CARTON BACK PANEL

PREVENTIC® Tick Collar for Small and Medium Dogs

Adjustable - Fits mature dogs, 20" neck or smaller

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION: This collar is intended for use as an acaricide generator and is not to be taken internally by man or animal. Not intended for use on humans. Do not allow children to handle or play with this collar.

Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling.

Some dogs and humans may be sensitive to this collar. Remove at first sign of irritation or adverse reaction. Do not use on sick or convalescing dogs.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this collar in a manner inconsistent with its labeling.

Place the Preventic® collar around the dog's neck, buckle and adjust for proper fit. Cut off and dispose of excess length. The collar must be worn loosely so that two fingers may be placed between the collar and dog's neck. If collar is worn too tightly, it may produce neck irritation. Activity against ticks starts within 24 hours and continues as long as the collar is worn (up to 120 days). Ticks present in the dog's environment that may reappear on your pet will be killed by the action of this collar. Replace collar when effectiveness diminishes. The effectiveness of the collar is not diminished by normal wetting such as rainfall; however, it is suggested that the collar be removed before bathing.

PREVENTIC is not an insecticide. Therefore, use other means for control of fleas.

DISPOSAL

Do not reuse empty pouch, box or collar. Wrap in newspaper and put in trash collection.
