Aqua-Pel Fly
Repellent Spray

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Virbac, Inc.
2507 Gravel Drive
Fort Worth, TX 76118-6904

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Change the label by revising the EPA Registration Number to read, "EPA Reg. No. 2382-111".
3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Signature of Approving Official:

Joseph M. Varano

Date:

January 5, 1993

2382-111

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Aqua-Pel Fly Repellent Spray is especially designed to protect horses and ponies from biting and nuisance flies, such as stable flies, horn flies, horse flies, deer flies, face flies, house flies, mosquitoes and gnats. Shake well and rotate nozzle 1/4 turn to spray position and squeeze trigger to initiate a fine mist spray. (Close nozzle after use to avoid loss of product). Spray at a distance of 6 to 12 inches by squeezing trigger repeatedly and rapidly.

Aqua-Pel Fly Repellent Spray should be sprayed liberally over the horse's coat, especially on areas that biting and nuisance flies favor. Do not spray into eyes, nostrils or on genitalia. For application to these areas, apply to toweling or a sponge and wipe on. Repeat application as needed.

virbac®
