PRECAUTIONARY STATEMENTS READ ENTIRE LABEL BEFORE EACH USE USE ONLY ON DOGS AND CATS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Hazards to Humans: Harmful if absorbed through skin. Avoid contact with skin or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash thoroughly with soap and water after handling.

Hazards to Domestic Animals: Do not use on pets under 12 weeks of age. Consult a veterinarian before treating pregnant, nursing, aged, debilitated or medicated animals. Sensitivities may occur after using any pesticide product for pets. If signs of sensitivity occur, wash treated area with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

FIRST AID: If on skin: wash with plenty of soap and water. Get medical attention if irritation occurs.

STORAGE AND DISPOSAL: STORAGE: Store in a cool dry area.

DISPOSAL: Do not reuse empty container. Wrap container and put in trash.

CAUTION. KEEP OUT OF REACH OF CHILDREN

See Other Panels For Additional Precautionary Statements

Virbac[®]
Net contents 0.5 fl.oz. (14.7 mL)

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Cleanse ear first with a low pH ear cleanser, like Epi-Otic[®]. Place sufficient Otomite Plus in each ear to wet external ear canal. Spread product inside ear canal by massaging the ear. Retreat at least every 7 days, depending on the severity of the condition, but not more frequently than twice a week. If condition does not resolve in 2 weeks, discontinue treatment and consult your veterinarian. If it is necessary to reuse an ear cleaner, retreat afterwards with Otomite Plus.

EPA Reg. No. 2382-116
