ENVIRONMENTAL HAZARDS

This product is toxic to aquatic organisms. Do apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate.

DIRECTION FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USING

Apply product to the back of the animal and massage well into the skin to obtain a good lathering of the entire body. Allow lather to remain in contact with the skin for 10 minutes. Rinse thoroughly with warm water and towel or blow dry. Do not repeat treatment more often than once every 7 days.

Ecto-Soothe^{®2} 3X, using Spherulites³, represents a breakthrough in skin care technology.

SPHERULITES³ An exclusive and patented encapsulation system was developed by Virbac to provide slow release of contents long after the shampoo is rinsed off, Oatmeal and glycerin are present in encapsulated (Spherulites³) and free forms. The patented encapsulation system does not include any pesticide ingredients, nor will it provide any increased pesticide effectiveness. The encapsulation system contents are only present for the purpose of soothing and moisturizing the animal's skin after use.

Spherulites³ only provide moisturizing for the animal's skin after use, and do not increase the effectiveness of the active pesticide ingredients.

=====

STORAGE AND DISPOSAL

=====

Storage: Store in closed container in a cool dry area.

Disposal: If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
