U.S. ENVIRONMENTAL PROTECTION AGENCY  
Office of Pesticide Programs  
Registration Division (H7505C)  
401 "M" St., S.W.  
Washington, D.C. 20460

EPA Reg. Number:  
2382-124

Date of Issuance:  
MAR 1996

Term of Issuance: Conditional

NOTICE OF PESTICIDE:  
  X   Registration  
       Reregistration

Name of Pesticide Product: PREVENTIC  
L.A. IGR Flea and  
Tick Spray for Dogs

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Virbac Inc.  
P.O. Box 162059  
Fort Worth, Texas 76161

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
  - a. Revise the EPA Registration Number to read, "EPA Reg. No. 2382-124".
  - b. Delete the statement, "Do not use on pups under 3 months of age." and replace it with the statement, "For use only on adult dogs.". The Domestic Animal Safety Study only supports use on adult dogs. Refer to the enclosed review for details.
  - c. Add the statement, "To prevent harm to you or your pet, read entire label before use," to the Directions For Use.

Signature of Approving Official:

RPK

Date:

5 MAR 1996

- d. Add the wording, "old" and "on animals undergoing drug or other pesticide treatment", to the statement "Consult a veterinarian before treating pregnant, nursing, sick, or debilitated dogs."
- e. In the last sentence under Hazards To Animals change "consult veterinarian if reaction persists" to read "immediately seek veterinary advice".
- f. Under Hazards TO Humans change the statements, "May cause eye irritation. Do not get in eyes." to read "Causes moderate eye irritation. Avoid contact with eyes or clothing."
- g. Refer to the enclosed Product Chemistry review for the proper chemical name for Permethrin, the supplier of Nylar, and comments regarding the solvent. Make the appropriate changes. A copy of the revised Confidential Statement Of Formula must be submitted.
- h. Copies of the reviews are enclosed for your records.

3. Submit two (2) copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

RPK

Richard P. Keigwin, Jr.

<b>INERT INGREDIENTS.....</b>	<b>97.95%</b>
<b>TOTAL.....</b>	<b>100.00%</b>

\*cis-trans isomer ratio. Min. 35% (+/-) cis  
Max. 65% (+/-) trans

### CAUTION

**KEEP OUT OF REACH OF  
CHILDREN**

See back panel for additional  
precautionary statements and  
directions

Net Contents: 8 fl. oz. (237 mL)

Virbac Inc.,  
P.O. Box 162059,  
Fort Worth, TX 76161

Kills fleas for 2 months and ticks (including Lyme vectors) for 1 month. Pyriproxyfen IGR sterilizes fleas for up to 3 months.

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labelling. Spray over entire haircoat making sure the coat is thoroughly wetted to the skin. Spray against the lay of the hair, ruffling the coat on long-haired dogs. Weight of dog, length of hair and density of coat will determine amount of spray to be applied to wet the skin (average dose approximately 7.5 g/ kg). This 8 oz. bottle should be sufficient for two applications at a two month interval to an average 30-35 lb dog. Lighter applications will reduce period of effectiveness and require more frequent treatments. Allow dog to air dry or blow dry. Do not towel dry.

### PRECAUTIONARY STATEMENT

#### HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION

**HAZARDS TO HUMANS:** May cause eye irritation. Do not get in eyes. Avoid breathing spray mist. Use only in a well ventilated area. Avoid contamination of food. Wash exposed skin with soap and water after using. Remove contaminated clothing and wash before reuse.

**HAZARDS TO ANIMALS: DO NOT USE ON CATS.** Do not use on pups under 3 months of age. Consult a veterinarian before treating pregnant, nursing, sick or debilitated dogs. Do not spray in eyes, face or on genitalia. Until dry, do not confine treated dog in area without adequate cross ventilation. In the event of adverse reaction, shampoo dog with a non-pesticidal shampoo to remove pesticide residue and consult veterinarian if reaction persists.

#### PHYSICAL OR CHEMICAL HAZARDS

Do not use or store near heat or open flame.

#### STATEMENT OF PRACTICAL TREATMENT

If in Eyes: Flush with plenty of water. Call a physician if irritation persists.

#### STORAGE AND DISPOSAL

**STORAGE:** Store in a cool area away from heat and open flame.

**DISPOSAL:** Do not reuse empty container. Wrap in several layers of newspaper and discard in trash.
