SIDE/BACK PANEL

**READ ENTIRE LABEL BEFORE EACH USE
USE ONLY ON DOGS
DO NOT USE ON CATS**

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION**

HAZARD TO HUMANS: Caused moderate eye irritation. Avoid contact with eyes or clothing. Avoid breathing spray mist. Use only in a well ventilated area. Avoid contamination of food. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove contaminated clothing and wash before reuse.

HAZARDS TO ANIMALS:

DO NOT USE ON CATS. DO NOT USE ON DOGS UNDER 6 MONTHS OF AGE. Do not spray in eyes, face or genitalia. Until dry do not confine treated dog in area without adequate cross ventilation.

Consult a veterinarian before using this product on debilitated, aged, medicated, pregnant, or nursing animals.

Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap or a non-pesticidal shampoo and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

FIRST AID

=====

If In Eyes ° Hold eye open and rinse slowly and gently with water for 15-20 minutes.

 ° Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes.

 ° Call a poison control center or doctor for treatment advice.

=====

HOT LINE NUMBER

=====

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-345-4735 for emergency medical treatment information.

=====

PHYSICAL OR CHEMICAL HAZARDS

Combustible. Do not use or store near heat or open flame.

SIDE/BACK PANEL

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Spray over entire haircoat making sure the coat is thoroughly wetted to the skin. Spray against the lay of the hair, ruffling the coat on long-haired dogs. Weight of dog, length of hair, and density of coat will determine amount of spray to be applied to wet the skin (average dose approximately 7.5g/kg). Eight ounces (8 oz.) of product should be sufficient for two applications at a two month interval to an average 30-35 lb. dog. Lighter applications will reduce period of effectiveness and require more frequent treatments. Allow dog to air dry or blow dry. Do not towel dry. Do not spray in eyes, face or genitalia. Do not use on dogs under 12 weeks of age. Do not apply more often than once a month.

=====

STORAGE AND DISPOSAL

=====

Storage: Store in an area away from heat and open flame.

Disposal: If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
