	U.S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Registration Division (H7505C) 401 "M" St., S.W. Washington, D.C. 20460	EPA Reg. Number: 2382-134	Date of Issuance: 5 5 MAR 96
	NOTICE OF PESTICIDE: x Registration _____ Reregistration (under FIFRA, as amended)	Term of Issuance: Conditional	
		Name of Pesticide Product: **Permethrin-IGR #1** **Flea and Tick Spray** **for Dogs**	

Name and Address of Registrant (include ZIP Code):

Virbac Inc.
P.O. Box 162059
Fort Worth, Texas 76161

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

    This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

    1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

    2. Make the following label changes:

    a. Revise the EPA Registration Number to read, "EPA Reg. No. 2382-134".

    b. Delete the statement, "Do not use on pups under 3 months of age." and replace it with the statement,"For use only on adult dogs.". The referenced Domestic Animal Safety Study only supports use on adult dogs.

    c. Add the statement, "To prevent harm to you or your pet, read entire label before use," to the Directions For Use.

Signature of Approving Official: RPK	Date: 5 MAR 1996

d. Add the wording, "old" and "on animals undergoing drug or other pesticide treatment", to the statement "Consult a veterinarian before treating pregnant,nursing, sick, or debilitated dogs.".

e. In the last sentence under Hazards To Animals change "consult veterinarian if reaction persists" to read "immediately seek veterinary advice".

f. Under Hazards To Humans change the statements, "May cause eye irritation. Do not get in eyes." to read "Causes moderate eye irritation. Avoid contact with eyes or clothing.".

g. The correct spelling for the chemical name for Permethrin is (3-Phenoxyphenyl)methyl($\pm$)cis-trans-3-(2,2-dichloroethenyl)-2,2-dimethylcyclopropanecarboxylate.

h. In the Confidential Statement Of Formula the correct supplier of the Technical Nylar is Sumitomo Chemical Co., Ltd.

i. Note that the solvent in the basic formulation is a List 2 inert(potentially toxic inert/high priority for testing). Accordingly you may wish to substitute a less toxic inert for this ingredient.

3. Submit two (2) copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

RPK

Richard P. Keigwin, Jr.
