PERMETHRIN-IGR #3  
Flea and Tick Spray  
for Dogs

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

VIRBAC, Inc.  
3200 Meacham Blvd.  
Fort Worth, Texas 76137

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Change the label by revising the EPA Registration Number to read, "EPA Reg. No. 2382-141".
3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

#### READ ENTIRE LABEL BEFORE EACH USE USE ONLY ON DOGS PRECAUTIONARY STATEMENT HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION

**HAZARDS TO HUMANS:** Causes moderate eye irritation. Avoid contact with eyes or clothing. Avoid breathing spray mist. Use only in a well ventilated area. Avoid contamination of food. Wash exposed skin with soap and water after using. Remove contaminated clothing and wash before reuse.

**HAZARDS TO ANIMALS: DO NOT USE ON CATS!** Do not use on dogs under 6 months old. Consult a veterinarian before treating debilitated, aged, medicated, pregnant or nursing animals. Do not spray in eyes, face or on genitalia. Until dry, do not confine treated dog in area without adequate cross ventilation. Sensitivities may occur after using any pesticide product on pets. If signs of sensitivity occur, bathe your pet with mild soap or a non-pesticidal shampoo and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

#### STATEMENT OF PRACTICAL TREATMENT

**In Eyes:** Flush with plenty of water. Call a physician if irritation persists.

#### PHYSICAL OR CHEMICAL HAZARDS

**Flammable:** Keep away from heat and open flame.

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labelling. To prevent harm to you and your pet, read entire label before use. Spray over the entire hair coat making sure the coat is thoroughly wetted down to the skin. Spray against the lay of the hair, ruffling the coat on long-haired dogs. Weight of dog, length of hair and density of coat will determine amount of spray to be applied to wet the skin (average dose approximately 1.5 -3.0 g/kg). This 16 oz. bottle should be sufficient for 7-14 applications at one to two week intervals to an average 40 - 50 lb. dog. Lighter applications will reduce period of effectiveness and require more frequent treatment. Allow dog to air dry or blow dry. Do not towel dry. When product is applied at the full recommended rate, pet should not be retreated for 14 days.

#### STORAGE AND DISPOSAL

**STORAGE:** Store in a cool area away from heat and open flame.  
**DISPOSAL:** Do not reuse empty container. Wrap in several layers of newspaper and discard in trash.
