

*Hopkins*  
**fire ant dust**

**CAUTION**

Harmful if swallowed. Contact with skin can cause toxic symptoms. Avoid breathing dust. In case of contact with skin, wash with soap and water. Avoid contamination of feed and foodstuffs. Keep out of the reach of children. Keep children or pets off treated turf until material has been washed into the soil by watering or rain and grass is dry.

Toxic to fish and wildlife. To protect bees, do not apply when crops are in bloom. Remove or cover hives if dusting is necessary.

Keep out of any body of water.

Birds feeding over treated lawns will be harmed at these application rates.

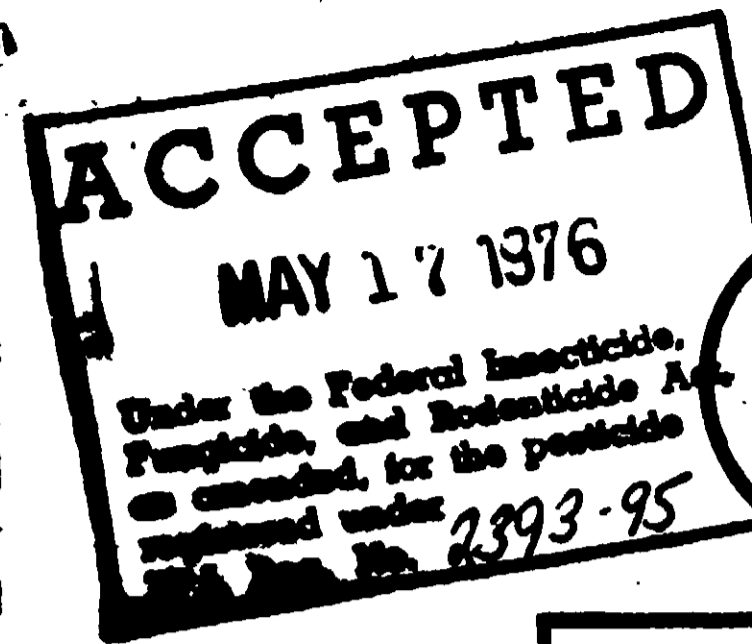

**DIRECTIONS FOR USE**

**FIRE ANTS IN HOME LAWNS:** Mound Treatment, Garden, Nursery and Greenhouse Soils (where ornamentals are grown); and in uncultivated areas: Apply 1 lb. per 500 sq. ft. Apply to cover surface of the soil uniformly.

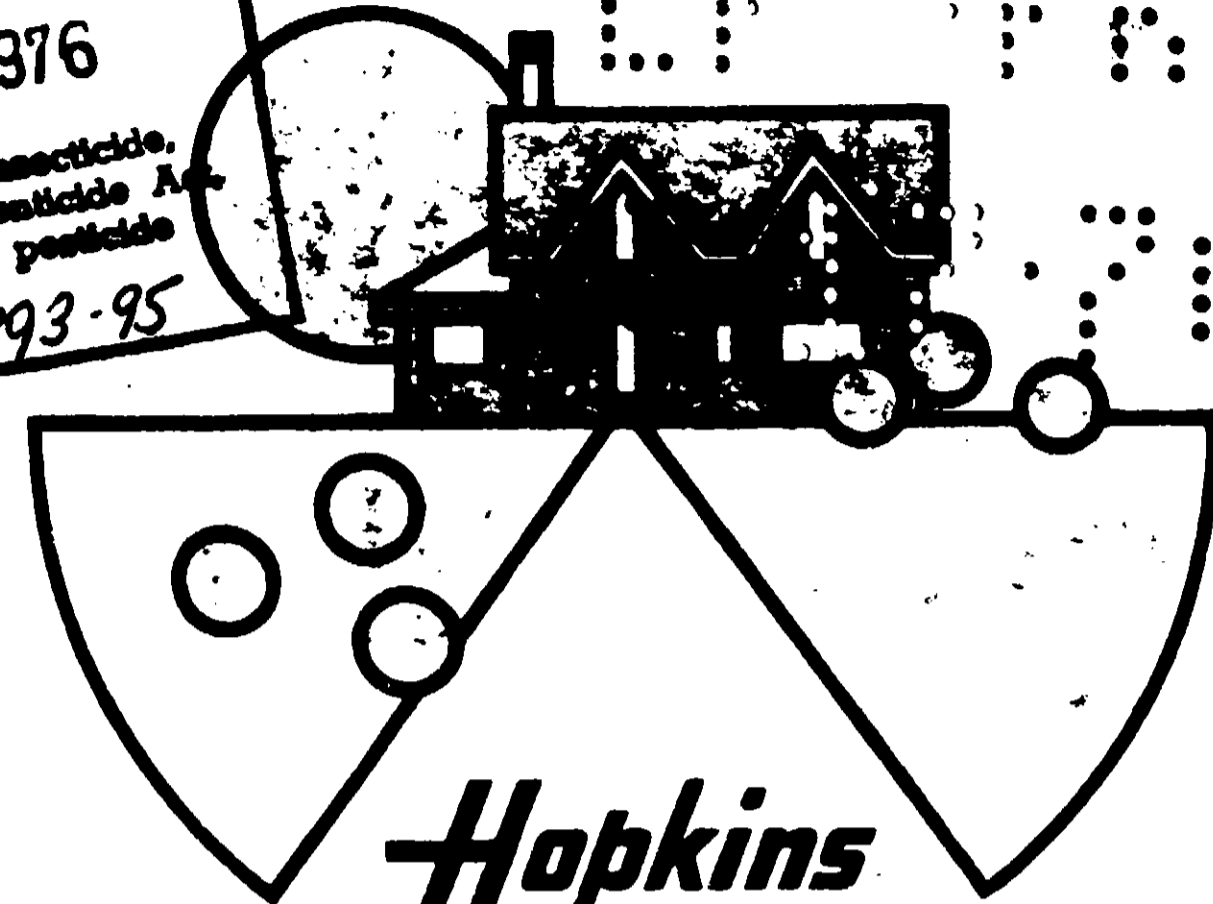

**MOUND TREATMENT:** Dust area 2 feet wide around base of mound. Use 1 cup per mound. Tear down mound onto treated area and dust thoroughly all exposed soil. Treat when insects appear. Repeat treatment in 10 days to 2 weeks if surviving colonies are found.

**NOTICE OF WARRANTY**

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

NET WT. 1 LB.
