**—WARNING—**

**KEEP OUT OF REACH OF CHILDREN**

**STOP — READ THE LABEL BEFORE USE**

This pesticide may be fatal to children and dogs or other pets if eaten. Keep children and pets out of treated area. Follow directions and use with care. Wash contaminated clothing with soap and hot water before reuse. Do not contaminate feed or food.

If poisoning occurs, obtain prompt medical aid. ANTIDOTE: Atropine sulfate.

**FISH AND WILDLIFE CAUTIONS:** This product is toxic to fish and wildlife. Keep out of lakes, ponds, or streams. Birds feeding on treated areas may be killed. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

**CONTAINER DISPOSAL:** Do not reuse empty container. Destroy by burying with waste or burning. Stay away from smoke and fumes.

## DIRECTIONS FOR USE

**IMPORTANT:** Read these entire Directions and Notice of Warranty before using Hopkins Snail and Slug Pellets M-2.

Hopkins Snail and Slug Pellets M-2 is very effective for the control of snails and slugs around the home, in flower gardens, and in ornamental greenhouses. The bait should be applied to soil around plants but not directly to plant foliage. **WARNING:** Do not use around food crops.

Sprinkle 1 pound of Hopkins Snail and Slug Pellets M-2 uniformly over 1,000 square feet of area to be treated. For best results lightly water the area to be treated before applying the bait. When making applications, special attention should be given to treating areas around flower beds, under greenhouse benches and around building foundations. Repeat applications as necessary to keep areas free of snail and slug pests.

**RESTRICTIONS:** Do not use on plants grown for food. Do not put bait in piles. Scatter bait so that it is hardly visible on the ground.

## NOTICE OF WARRANTY

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
