ENVIRONMENTAL HAZARDS

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

DIRECTIONS FOR USE

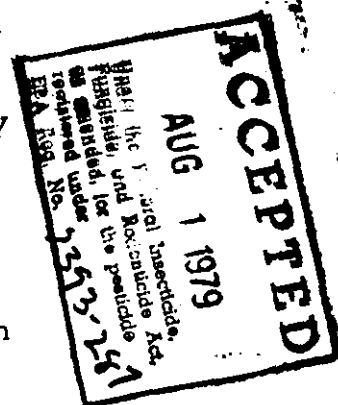

For External Use Only

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

For the Control of Body Lice on Humans, apply Malathion Premium Grade 1% Dust by means of a hand duster to crotch from front to rear, down the neck and under arms. Wash with detergent any clothing, bed linens, blankets and towels in contact with infested area.

For the Control of Head Lice, apply Malathion Premium Grade 1% Dust to head area.

Repeat application at two-week intervals as needed until infestation has been eliminated.

STORAGE & DISPOSAL

PROHIBITIONS:

Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.

PESTICIDE DISPOSAL:

Pesticide, spray mixture, or rinsate that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies.

CONTAINER DISPOSAL:

Dispose of in an incinerator or landfill approved for pesticide containers, or bury in a safe place.

GENERAL:

Consult Federal, State or local disposal authorities for approved alternative procedures such as limited open burning.

NOTICE OF WARRANTY

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
