US ENVIRONMENTAL PROTECTION AGENCY OFFICE OF PESTICIDES PROGRAMS REGISTRATION DIVISION (75-767) WASHINGTON, DC 20460	EPA REGISTRATION NO. 2393-452	DATE OF ISSUANCE 09-18-92
	TERM OF ISSUANCE	
	NAME OF PESTICIDE PRODUCT Hopkins Rodex Blox-1 Kills Rats and Mice	

NOTICE OF PESTICIDE: REGISTRATION
 REREGISTRATION
 (Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

HACO, Inc.
 P.O. Box 7190
 Madison, WI 53707

5411735
 5416570 675/22
 5425005

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based on your response to the Reregistration Eligibility Document, EPA has reregistered the product listed above. Enclosed is a copy of your label stamped "Accepted". This action is taken under the authority of section 4(g)(2)(C) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

Make the revisions specified below before you print the final labeling for this product.

- In the second sentence under "PESTICIDE DISPOSAL", delete the "," after the word "pesticide" and leave only one space between "pesticide" and "or".

Submit one copy of the final printed label before releasing the product for shipment with the revised labeling. Registrants of Warfarin products are allowed to sell or distribute products bearing old labeling until September 6, 1993.

Anne E. Lindsay, Director
 Registration Division (H7505C)

PRECAUTIONARY STATEMENTS:
HAZARD TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Keep away from humans, domestic animals and pets. If swallowed, this material may reduce the clotting ability of the blood and cause bleeding.

NOTE TO PHYSICIAN - If ingested, administer Vitamin K, intramuscularly or orally, as indicated in bishydroxycoumarin overdoses. Repeat as necessary based on monitoring of prothrombin times.

ENVIRONMENTAL HAZARDS

This product is toxic to mammals and birds. Do not apply this product to water, swamps, bogs, or potholes.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ THIS LABEL: Read this entire label and follow all use directions and use precautions.

IMPORTANT: Do not expose children, pets, or other nontarget animals to rodenticides. To help to prevent accidents:

1. Store product not in use in a location out of reach of children and pets.
2. Apply bait in locations out of reach of children, pets, domestic animals and nontarget wildlife, or in tamper-resistant bait stations. These stations must be resistant to destruction by dogs and by children under six years of age, and must be used in a manner that prevents such children from reaching into bait compartments and obtaining bait. If bait can be shaken from stations when they are lifted, units must be secured or otherwise immobilized. Even stronger bait stations are needed in areas open to hooved livestock, raccoons, bears, or other potentially destructive animals, or in areas prone to vandalism.
3. Dispose of product container, and unused, spoiled, and unconsumed bait as specified on this label.

USE RESTRICTIONS - For control of Norway rats, roof rats, and house mice in and around homes, industrial and agricultural buildings, and similar man-made structures. This product may also be used in sewers. This product is especially suited for wet or damp areas. Do not place bait in areas where there is a possibility of contaminating food or surfaces that come in direct contact with food. Do not broadcast bait.

SELECTION OF TREATMENT AREAS - Determine areas where rats or mice will most likely find and consume the bait. Generally, these are along walls, by gnawed openings, in or beside burrows, in corners and concealed places, between floors and walls, or in locations where rodents or their signs have been seen. Protect bait from rain or snow. Remove as much alternative food as possible.

APPLICATION DIRECTIONS

Rodex Blox-1 come in 12-oz. and 16-oz. sizes. 12-oz. Rodex Blox-1 are scored so that they can be broken into three 4-oz. pieces with a hole at the center of each. Each 4-oz. piece also is scored so that it can be broken easily into four 1-oz. pieces. 16-oz. Rodex Blox-1 are scored in two rows of 8 mounds each. Each mound weighs approximately 1 oz.

- RATS: Apply 4 to 16 oz. of this product per placement. Apply bait as entire Rodex Blox-1 or as pieces of blocks broken so as to provide the amount of bait needed. Maintain an uninterrupted supply of fresh bait for at least 10 days.
- MICE: Break Rodex Blox-1 into discrete 1-oz. pieces. Apply one 1-oz. piece per placement. Space placements at 8 to 12 foot intervals. Placement of two 1-oz. pieces each may be needed at points of very high mouse activity. Maintain an uninterrupted supply of fresh bait for at least 15 days.

{Right Panel}
{For Household Products¹}

STORAGE AND DISPOSAL {12 pt²}

- Storage: Store only in original container, in a dry place inaccessible to children and pets.
- Disposal: Do not reuse empty container. Securely wrap in newspaper and discard in trash.
-

{For Non-Household Products³}

STORAGE AND DISPOSAL {12 pt²}

- Do not contaminate water, food or feed by storage or disposal.
- STORAGE: Keep product in tightly closed original container. Store in a dry area not accessible to children, pets, domestic animals or wildlife. Do not store near material with a strong odor.
- PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.
- CONTAINER DISPOSAL: Dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.
-

¹ Used for sizes 5 lbs and under
² Assumes a front panel of over 30 sq. in.
