 Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incise metal container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE
 It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Shake well before each use. Remove protective cap. Aim spray opening away from person. Push button to spray.
To kill lice and louse eggs: Spray in an inconspicuous area to test for possible staining or discoloration. Inspect again after drying, then proceed to spray entire area to be treated. Hold container upright with nozzle away from you. Depress valve and spray from a distance of 8 to 10 inches.
 Spray each square foot for 5 seconds or until damp.
 Spray only those garments, parts of bedding, including mattresses and furniture that cannot be either laundered or dry cleaned.
 Treat entire inner surface of all clothing to be worn next to the skin. Special attention given to seams and areas around the neck, armpits, waist, shirttail and crotch of the pants.
 Allow all sprayed articles to dry thoroughly before use.
 Repeat treatment as necessary.
 Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given here with.
STORAGE AND DISPOSAL
STORAGE: Store in a cool area away from heat or open flame.
DISPOSAL: Do not reuse empty container. Wrap container and put in trash collection.

MADE AND PRINTED IN U.S.A.
