Dr. Roslyn F. Powers
Del Pharmaceuticals, Inc.
565 Broad Hollow Road
Farmingdale, NY 11735

Dear Dr. Powers:

Subject: Amendment - Request of Pronto Complete Lice Killing System
Pronto Lice, Tick, and Flea Killing Spray Label
EPA Registration No. 2398-7
Pronto Lice Killing Shampoo
EPA Registration No. 2398-8
Your Application Dated March 26, 1992

This is a follow-up to our letter dated July 2, 1992 regarding labeling comment 1. for EPA Reg. No. 2398-8. We have reevaluated the labeling and have no objections to the directions for use and the precautionary statements as they appear on the submitted labels. Therefore labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

Sincerely yours,

George T. LaRocca
Product Manager 13
Insecticide-Rodenticide Branch

live sparks or heated surfaces. Turn off pilot lights in
gas appliances and unplug or turn off electrical equip-
ment in the use area. After drying out phase is com-
pleted, re-light pilot lights and reconnect electrical
current. Do not smoke in the use area. Contents under
pressure. Do not puncture or incinerate container.
Exposure to temperature above 130 F may cause
bursting. Incineration of container may cause explosion.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product
in a manner inconsistent with its labeling. Shake
well before each use. Remove protective cap. Aim
spray opening away from person. Push button to spray.

To kill lice and loose eggs: Spray in an inconspicuous
area to test for possible staining or discoloration.
Inspect again after drying, then proceed to spray
entire area to be treated. Hold container upright with
nozzle away from you. Depress valve and spray from a
distance of 8 to 10 inches. Spray each square foot
for 5 seconds or until damp. Spray only those garments,
parts of bedding, including mattresses and furniture
that cannot be either laundered or dry cleaned. Allow
all sprayed articles to dry thoroughly before use.

To kill ticks and fleas: Spray sleeping quarters,
bedding, floor and floor covering where pets are
kept. Repeat as necessary. Use only a recommended pet
spray on pets.

Buyer assumes all risks of use, storage or handling
of this material not in strict accordance with
directions given herein.

STORAGE AND DISPOSAL

Store in a cool area away from heat or open
flame. Do not reuse empty container. Replace
cap, securely wrap original container in several
layers of newspaper and discard in trash. Do not
incinerate or puncture.
