

[2459-76]

An insecticide for use in Baking Companies, Bottling Plants, Breweries, Candy Factories, Canneries, Distilleries, Flour Mills, Horse Stables, Hospital Maintenance Areas, Kennels, Nut Processing Companies, Rice Mills, Seed Houses and Restaurants. See caution limitations.

For fogging control of flies, mosquitoes, and gnats and direct contact spraying control of roaches, ants, spiders, water bugs and house centipedes.

Recommended for use in fogging applicators and can also be applied by electric and other power and hand operated sprayers.

### DIRECTIONS

Fogging Application Indoors For Control of Flies, Mosquitoes and Gnats: After closing off all air currents, direct fog upwards at walls and ceilings so that as many insects as possible can be contacted with a direct fog. When application is made with the Dyna-Fog Applicator, use one ounce of Carmel Formula F-500 per 1,000 cubic feet of space. Keep premises closed for at least 10 minutes after fogging. Sweep up and destroy all dead and dying insects. Repeat when necessary.

Direct Contact Spray Application For Control of Roaches, Ants, Spiders, Water Bugs and House Centipedes: Direct a wet spray toward infested areas, floors, cracks and crevices to hit the insects. Apply Carmel Formula F-500 with an efficient electric or other power or hand operated sprayer that will deliver medium size droplets. Thorough application should be made with repeated treatment whenever reinfestation occurs.

## FORMULA F-500

EPA Reg. No. 5011-128

EPA EST. NO. 5011-IN-1

A Powerful Fogging And Contact Insecticide  
Containing Synthetic Pyrethroid S.B.P. 1382

### CARMEL

#### ACTIVE INGREDIENTS:

5-bromo-2-(6-tert-butyl-2,2-dimethyl-3-	
2-methyl-2-propenyl) propylcarbamate	0.500
Related compounds	0.068
Triphenyl Phosphine Hydrochloride	0.652
Petroleum Hydrocarbon	98.750

#### INERT INGREDIENTS:

0.020

100% active ingredients	100.000
70% active ingredients	70.000

### ETHICAL

## CAUTION

**KEEP OUT OF REACH OF CHILDREN  
HARMFUL IF SWALLOWED**

See side panels for additional cautions and directions.
