Ms. Judith S. Lederer
Kees, Inc.
4500 13th Court
Kenosha, WI 53141

Dear Ms. Lederer:

Subject: Amendments, Label Revisions, Additional
Brand Name
Ace Lawn Food With Weed Control
EPA Registration No. 2491-321
Your Submission Dated December 17, 1986

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable provided that you:

1. Make the labeling change listed below before you release the product for shipment bearing the amended labeling:

- Reinstate the following statements:

Do not use this product where desirable clovers are present or allow drift onto flowers, vegetables, or ornamental shrubbery.

Do not apply in areas underlaid by roots of desirable trees and shrubs.

2. Submit one (1) copy of your final printed labeling before you release the product for shipment.

A stamped copy of the labeling is enclosed for your records.

PRECAUTIONARY STATEMENTS

Hazardous to Humans and Domestic Animals

CAUTION

Harmful if swallowed. Do not inhale dust. Do not allow contact with skin, eyes or clothing. Wash thoroughly after handling.

ENVIRONMENTAL HAZARDS

Do not apply directly to water or wetlands. Do not apply when weather conditions favor drift from target area.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Storage: Store in original container and keep any bags containing unused product in a locked, dry, storage area inaccessible to children and domestic animals. Do not store near food or feedstuffs. To prevent cross-contamination, do

not store near other fertilizers, or near herbicides, insecticides, fungicides, or seeds.

Product Disposal: To dispose of bags which contain unused product, securely wrap bag in several layers of newspaper and discard in trash.

Container Disposal: Do not reuse empty bag. Fold empty bag and discard in trash.

Kills Weeds such as: Chickweed, Dandelion, Knotweed, Plantain, Henbit, Spurge, Clover Ground Ivy, Purslane, Ragweed, Morning Glory, Creeping Charlie and most other broadleaf weeds.

This product contains Trimec[®] Herbicidal Concentrate, a special formulation for use on St. Augustine grass. The patented mixture of herbicides gives maximum broadleaf weed control.

This product can be used on sensitive grasses such as St. Augustine, Bahia, Centipede, Bermuda, Bent and Zoysia. Under conditions of adequate moisture, high temperature and high humidity, application may cause discoloration on St. Augustine. Under these conditions, however, the vigorous growth of St. Augustine will choke out most weeds and herbicide treatment would not be necessary. Do not apply to Dichondra, Lippia or similar ground covers.

WHEN TO APPLY: For best weed control, application should be made when weeds are growing vigorously. Application can be made at any time except for St. Augustine grass make application during spring and fall when temperatures are moderate.

HOW MUCH TO USE: Apply evenly with a lawn spreader and do not rake, mow or water the grass for at least 24 hours after spreading. This 15 lb. bag will cover 3,000 sq. ft. Close spreader openings when turning.

Grasses which are heavily infested by weeds may require more than one application of this product. A suggested second application could be made in approximately 30 days.

SUGGESTED SPREADER SETTINGS

(column 1)

Green Thumb Drop.....	6 - 6 1/2
Green Thumb Broadcast.....	5
Cyclone.....	5

(column)

Greenview.....	9 - 9 1/2
Scotts Drop.....	7 1/2 - 8
Scotts Broadcast.....	I - K

NOTE: Above spreader settings are approximate. Differences may occur due to condition of spreader, speed at which applied and roughness of area treated. Age and condition of spreader will affect application. Adjust your spreader if necessary. This bag should cover approximately 3,000 sq. ft. (example 30 ft. X 100 ft.) Calculate the size of area to be treated and do not over or under apply. Close spreader when filling, stopping or turning. **DO NOT HAND SPREAD.**

OUR PLEDGE TO YOU

If for any reason you are not satisfied with results after using this product, you are entitled to get your money back. Simply provide evidence of purchase and your True Value Store will refund the full purchase price. ✓

"Seller warrants that this product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions provided, with proper equipment in good working order, and under normal conditions of use. Neither this warranty nor any other warranty of merchantability or fitness for a particular purpose expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller.
