

MYSTIC MOTH & CARPET BEETLE SPRAY

Petroleum Distillate	97.70%
*Technical Chlordane	2.00%
**Piperonyl Butoxide (Technical)	0.25%
Pyrethrins	0.05%
	100.00%

*Equivalent to 1.2% Octachlore-4, 7-Methanotetrahydroidane and 0.8% of other related compounds.

**Equivalent to 0.20% of (butylcarbityl) (6-propylpiperonyl) ether and 0.50% of related compounds.

DIRECTIONS

Force spray in all infested cracks, particularly in all infested baseboards. If floor is carpeted from wall to wall spray at least six inches of carpeting adjoining walls. Localized treatments of areas on floors, baseboards and shelves of closets. Repeat as often as necessary to maintain effective results.

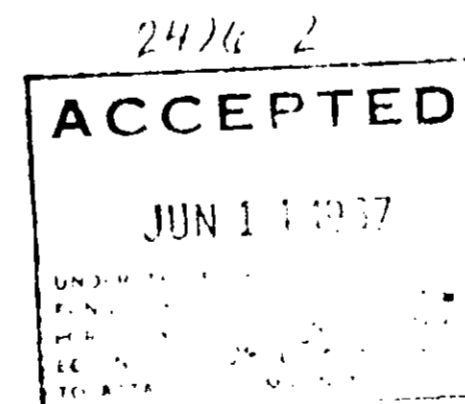

CAUTION

This solution if brought into repeated or prolonged contact with the skin can cause toxic symptoms. Avoid inhalation and skin contact. In case of spillage on the skin, wash immediately with soap and water. Avoid contamination of foodstuffs. Do not use on household pets or humans. Do not spray near or toward an open flame. Dangerous to health if taken internally. ANTIDOTE—Send for the doctor. Give prompt emetic; administer milk of magnesia, or lime water.
