## HOLIDAY SYSTEMIC 2 IN 1 ROSE CARE

Read complete label and use in strict accordance with directions and warnings.

HOLIDAY Systemic 2 in 1 Rose Care is a scientifically prepared plant food especially formulated for rose feeding combined with a highly effective systemic insecticide. When applied according to directions, HOLIDAY Systemic 2 in 1 Rose Care will provide the proper amount of plant food and systemic insecticide necessary to maintain strong, healthy roses which are free from the damage normally caused by sucking insects (aphids, leafhoppers, spider mites, and thrips) and certain chewing insects. The insecticide in HOLIDAY Systemic 2 in 1 Rose Care is taken up by the roots and moves in the sap stream to all parts of the plant (systemic action)—even into the new growth. Here it stays on guard to kill insects as they feed on the plant.

HOLIDAY Systemic 2 in 1 Rose Care when used as directed kills Aphids (plant lice), Birch leaf miner, Holly leaf miner, Lace bug, Leafhoppers, Mimosa webworm, Pine tip moth, Spider mites, Thrips, Whiteflies on roses and other shrubs and flowers.

In addition to control of insects for 6 weeks, 2 in 1 Rose Care provides your roses with the proper amount of plant food necessary to maintain strong healthy plants.

### HOW TO USE HOLIDAY 2 IN 1 ROSE CARE:

**On Established Roses:** Spread 2 oz. of HOLIDAY 2 in 1 Rose Care evenly around the base of each plant and work into 1 to 2 inches of soil. Water thoroughly.

**When Planting New Bushes:** Place 1 oz. in the transplant hole with the soil as you fill. Mix 1 oz. in the top 2 inches of soil. Water thoroughly. Do not apply additional fertilizer for about 6 weeks.

**On Flowers, Bulbs, and Bedding Plants:** Apply 2 pounds of HOLIDAY 2 in 1 Rose Care per each 100 square feet (5 x 20 feet) of bed area. Work into top 1 to 2 inches of soil. Plant seed or set plants and water thoroughly. Do not apply additional fertilizer for about 6 weeks.

**On Ornamental Shrubs:** Apply 4 oz. of HOLIDAY 2 in 1 Rose Care for each foot of shrub height (12 oz. for a 3-foot high shrub). Distribute the required amount evenly from the base to the drip line on all sides of the plant. Work into the top 1 to 2 inches of soil and water thoroughly.

### WHEN TO USE HOLIDAY 2 IN 1 ROSE CARE:

Applied when plants have about 1 inch of new growth in the spring and at 6-week intervals through the summer, 2 in 1 Rose Care will provide the proper amount of plant nutrients to maintain strong healthy plants. Each application will give at least 6-weeks control of the pests listed.

### HOLIDAY 2 IN 1 ROSE CARE 8-8-8 PLANT FOOD MINIMUM GUARANTEED ANALYSIS

Total Nitrogen (N)	8%
6.0% Ammoniacal Nitrogen
