

KNOX-EM ROACH POWDER

KILLS: ROACHES, ANTS, WATERBUGS
AND SILVERFISH

DIRECTIONS

The dust must be placed only in areas inaccessible to children and pets. Any powder visible after application is completed should be carefully brushed into cracks and crevices or else removed. Such dusts may be applied on surfaces behind sinks, refrigerators, stoves and cabinets. For excellent results repeat treatment in about two weeks.

KEEP OUT OF THE REACH OF CHILDREN

WARNING: This insecticide contains salts of Fluorine. Do not contaminate feed, foodstuffs and utensils. May be fatal if swallowed. Do not breathe dust. Do not use on household pets or on humans. In case of spillage on skin, wash immediately with soap and water.

ANTIDOTE: Call a physician immediately. Drink water abundantly. Follow with lime water or weak calcium chloride solution. Induce vomiting, followed by plenty of milk.
