Improved cleaning, easy rinsing Dog Shampoo Bar with Lanolin Moisturizer and Humectant. This extraordinary formula was created to serve the special moisturizing and coat conditioning needs of a pesticidal soap. Kills ticks, fleas, lice and gnats. Repels flies, mosquitoes and gnats. Rich, dense lather provides a conditioning luster and moisturizing lubrication of dry hair. Rinses easily, helps reduce tangles and matting. Aids in afterbath comb and brushing.

DIRECTIONS: Wet pet thoroughly with lukewarm water. Beginning at tail, work soap against the lay of hair until lather reaches skin; covering the entire coat and feet.
