Richmond, VA 23261-6609

Gentlemen:

Subject: Sergeant's Sentry V Flea and Tick Collar for Cats
Reg. No. 2517-46
Your Letter Dated October 16, 1989

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable subject to the comments listed below. Five copies of the finished labeling must be submitted.

Based upon efficacy data MRID #412763-01:

1. The label claim on the front panel, "Kills the Deer Tick that carries Lyme disease" should be modified to read "Aids in control of the deer ^{tick} that may transmit Lyme disease."
2. Place a space between the "Misuse Statement" and the Directions for Use.
3. Modify the storage and Disposal statements as follows:

STORAGE AND DISPOSAL

Storage: Store unopened collar in a cool, dry place.

Cat Collar
Sergeant's
Sentry® V

Sergeant's SENTRY® V

works like a powder.

IMPORTANT CONSUMER

PURPOSE: This collar kills fleas and aids in the control of the flea environment. Collar is a new double layer sustained-release vapor and powder, working two ways to provide fast control. Collar has the effect of simultaneous usage of a spray and powder. Note: Ticks are only an occasional problem on cats. Wash hands if necessary to remove Collar if cat is out in the rain. Use as directed.

DIRECTIONS

It is a violation of Federal Law to use this product in a way that causes injury to a cat. Place Collar around cat's neck, adjust for fit, and buckle. Allow normal growth of the cat and to permit the Collar to move about 1/2 inch when fastened, will snugly slide over cat's head. Leave 2 inches of excess length. Wash hands after installing Collar on cat. Replace Collar every 2 months. With severe infestations, replace when effective. Store unopened Collar in a cool, dry place. Dispose of as directed.

PRECAUTIONARY

HAZARDS TO HUMANS AND

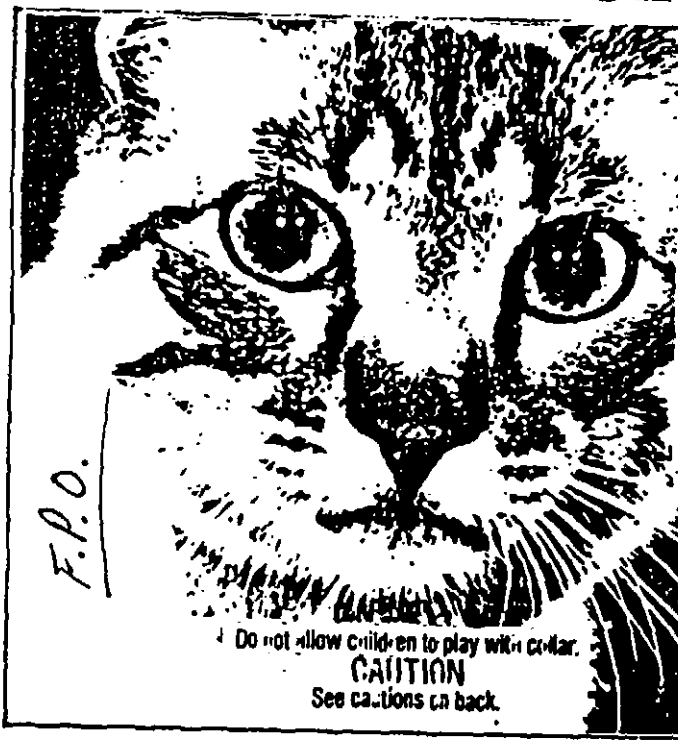

CAUTION: Do not open until ready to use. Dust will form eyes. Harmful if swallowed. If in eyes, will cause temporary irritation. Wash eyes with water. The dust released by this collar is a choker only on cats, not to be taken internally. Some animals may be irritated. If this occurs, loosen Collar. If irritation continues, use on kittens under 3 months of age.
