Fast-Breaking Foam
For Cats

IMPORTANT CONSUMER INFORMATION

PURPOSE: Sergeant's® Skip Flea® foam is specially formulated to kill fleas, ticks and lice. The foam will break quickly and disappear into the cat's coat. One application keeps working to kill newly-acquired fleas for up to 14 days. To kill ticks repeat every 7 days. This pleasantly scented product is a lovingly quiet foam that will not frighten your cat.

DIRECTIONS: It is a violation of Federal law to use this product inconsistent with its labeling.

Shake before using. Hold can upright about one inch from cat's back. Press activator to release foam. Start at the back of head and move nozzle slowly so that a line of foam will be deposited along the cat's back from head to tail. Apply foam at the rate of 4 seconds for each 10 pounds of your pet's weight.

Use this chart as a guide.
