**DIRECTIONS FOR USE**

**It is a violation of Federal law to use this product in a manner inconsistent with its labeling.**

Place collar around pet's neck, adjust for fit, and buckle in place. The collar must be worn loosely to allow for growth of the pet and to permit the collar to move about the neck. Generally, a properly fitted collar is one that when fastened, will snugly slide over pet's head. Leave 2 or 3 inches for extra adjustment. Cut off and dispose of excess length. Wash hands after installing collar on pet. Under normal conditions, replace collar every 6 months. Under conditions of severe infestation and where continued rapid kill is desired, collar may be replaced more often.

**STORAGE AND DISPOSAL**

**STORAGE:** Store unopened collar in a cool, dry place.

**DISPOSAL:** Dispose of empty pouch and expired collar in trash.
