Prince M. Bamaze
Regulatory Affairs
Sergeant's Pet Care Product, LLC
10077 South 134th Street
Omaha, NE Zip 68138-3710

Subject: Notification per PRN 98-10 – Added “Notes to Reviewer” about the use of optional graphics to illustrate listed pests and Marketing (scents) claims, as well as pictures of dog(s) in outdoor or indoor settings on the final printed label.
Product Name: Sergeant's Skip-Flea and Tick Shampoo Plus Conditioner for Dogs
EPA Registration Number: 2517-63
Application Date: 7/6/23
Case Number: 481440

Dear Prince M. Bamaze:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “NOTIFICATION” and placed in our records.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

If you have any questions, please contact Eric Ingram at 202-566-0061 or at ingram.eric@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Kable Bo Davis", enclosed in a simple oval scribble.

This rich, conditioning, non-staining formula contains a highly effective flea and tick killing ingredient combined with an excellent pH balanced shampoo. [SHAKE WELL: Contains [Fine ground]][Natural][Oat Flour][colloidal][oatmeal]]

PRECAUTIONARY STATEMENTS

CAUTION

HAZARDS TO HUMANS: Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wear protective rubber gloves when applying this product. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing before reuse. Apply this product only as specified on this label.

HAZARDS TO DOMESTIC ANIMALS: Do not treat (use on) dogs less than 12 weeks of age. Consult a veterinarian before applying this product on medicated, debilitated, aged, pregnant, or nursing animals. Sensitivities may occur after using any pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

{Use of box optional}

DO NOT USE ON CATS. May be toxic or potentially fatal if applied to or ingested by cats.

Accidental application to cats and/or grooming a recently treated dog may result in tremors and/or uncoordinated muscle movements. If this occurs, immediate veterinary care should be provided.

FIRST AID

**IF ON SKIN
OR
CLOTHING:**

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

IF IN EYES:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or veterinarian. For additional information on this product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-781-4738.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

{Use of box optional}

USE RESTRICTIONS

- THIS PRODUCT IS FOR INDOOR USE ONLY.
- This product is ONLY for use on dogs and puppies (over 12 weeks of age).

Page 4 of 4

SUPERSEDES EPA SAL 01/07/2022

Wet dog's coat thoroughly. Pour [PRODUCT NAME] [this product] [shampoo] into the cup of your hand. Starting at the head and working back, work up a lather with this quick lathering formula, being sure that the lather is worked thoroughly into dog's coat down to the skin. Allow lather to stand five minutes, then rinse completely and towel dry. It should not be necessary to repeat the shampoo application unless the animal is excessively dirty. Kills fleas fast and begins to kill ticks within 1 or 2 days; reaching maximum effectiveness in 7 to 10 days. To maintain maximum effectiveness against both fleas and ticks, repeat (or reapply) every week. Cats that actively groom or engage in close physical contact with treated dog may be at risk of serious harmful effect.

{Use of box optional}

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Store only in original container in a cool, dry area inaccessible to children and pets.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. **If Empty:** Offer for recycling if available. **If Partly filled:** Call your local solid waste for disposal instructions. Never place unused product down any indoor or outdoor drain.
