**DIRECTIONS FOR USE**  
 It is a violation of Federal law to use this product in a manner that is  
 inconsistent with its labeling.

Wet dog's coat thoroughly. Spray an even amount of SERGEANT'S SKIP  
 FLEA & TICK SPRAY SHAMPOO PLUS CONDITIONER all over your pet's  
 coat. Include hard to reach areas such as under the tail, chest, stomach, and  
 undersurface of the neck. Shield your pet's eyes with your hand while spraying  
 the head area and be careful not to spray inside the ears. Work up a lather with  
 this quick lathering formula, being sure that the lather is worked thoroughly into  
 dog's coat down to the skin. Wear protective rubber gloves when applying this  
 product. Allow lather to stand five minutes, then rinse completely and towel  
 dry. It should not be necessary to repeat the shampoo application unless the  
 animal is excessively dirty. Kills fleas fast and begins to kill ticks within 1 or 2  
 days; reaching maximum effectiveness in 7 to 10 days. To maintain maximum  
 effectiveness against both fleas and ticks, dogs should be shampooed with  
 weekly applications.  
 Do not reapply for 7 days.  
 Do not use on dogs under 12 weeks.
