ConAgra Pet Products Company  
2258 Darbytown Road  
Richmond, VA 23231-5400

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the labeling changes listed below before you release the product for shipment:

- a. Add the phrase, "EPA Registration No. 2517-69".
- b. Correct the percentage of permethrin from .50% to .05% in the ingredient statement.
- c. Revise the second statement on the front panel to read:

May be applied as an Indoor Household Spray to Control...etc."

GA 8/21/93

- d. Revise the statement under premise spray directions to read:

Spray to lightly dampen absorbent surfaces and wet non-absorbent surfaces by do not allow runoff to occur.

3. Revise the Environmental Hazards statement to read as follows:

The product is toxic to fish. Do not apply directly to any body of water. Do not contaminate water when disposing of equipment washwaters.

3. Submit five copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

George T. LaRocca  
Product Manager 13  
Insecticide-Rodenticide Branch  
Registration Division (H7505C)

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

[TO CONTROL FLEAS & TICKS ON DOGS FOR 14 DAYS]:  
 Start spraying at the tail, moving the dispenser rapidly and making sure that the animal's entire body is treated, including the legs and underbody. Fluff the hair while spraying so that the spray will penetrate to the skin and thoroughly wet it. Do not spray into eyes or face. Avoid contact with genitalia

[APPLIED AS A DIP]. Wet the dog with water before treatment. Sponge or pour **SERGEANT'S MULTIPURPOSE FLEA & TICK KILLER I** on the dog until its fur and skin are thoroughly wet, making sure that the animal's entire body is treated, including the legs and underbody. Do not treat the dog's face. Avoid contact with genitalia
