Office of Pesticide Programs  
Registration Division (H7505C)  
401 "M" St., S.W.  
Washington, D.C. 20460

EPA Reg.  
Number:

2517-73

Date of Issuance:

7 AUG 1995

NOTICE OF PESTICIDE:  
  x   Registration  
       Reregistration

Term of Issuance:

Conditional

Name of Pesticide Product:

Sergeant's Flea &  
Tick Powder with  
Permethrin

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

ConAgra Pet Products  
2258 Darbytown Rd  
Richmond, VA 23231

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 2517-73".
- b. Since the product name highlights only one of the active ingredients in the product formulation, add a dagger symbol (†) to the phrase **with permethrin** and to pyrethrins in the ingredient statement to draw attention to the other active ingredients.
- c. Revise the Environmental Hazards section to read as follows:

This product is extremely toxic to fish and aquatic organisms. Do not apply directly to any body of water. Do not contaminate water when disposing of equipment washwaters.

Signature of Approving Official:

Date:

CGA

11/2

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.
