Subject: Amended Reregistration Label
Product Name: Sergeant's Insecticide Carpet Powder with Nylar
EPA Registration Number: 2517-81
EPA Decision Number: 412260

Dear Mr. Wright:

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the reregistration of the above referenced product in connection with the pyrethrins, pyriproxifen, and MGK-264 REDs, and has concluded that your submission is acceptable.

NOTE: This product is not being reregistered under sections 3(c)5 and 4(g) of FIFRA at this time.

Please note that the headers "Pesticide Disposal" and "Container Handling" need to appear on separate lines in the Storage and Disposal Box. Please make this change at your next printing of the label.

Please note that the record for this product currently contains the basic Confidential Statement of Formulation (CSF), dated February 4, 2011, and approved on April 4, 2011. any previously dated CSFs are superseded.

A copy of your label stamped "Accepted" is enclosed along with copies of the acute toxicity and product chemistry reviews completed for the subject product. Products shipped after 12 months from the date of this amendment or the next printing of the label whichever occurs first, must bear the new revised label. Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e).

If you have any questions about this letter, please contact Rosanna Louie-Juzwiak at (703) 308-0037 or via e-mail at louie-juzwiak.rosanna@epa.gov.

Sincerely,

 Richard J. Gebken
Product Manager (10)
Insecticide Branch
Registration Division (7504P)

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes moderate eye irritation. Avoid contact with eyes, skin and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Do not contaminate feed, water or foodstuffs. Do not apply to food processing surfaces or use in food processing areas where food is exposed. Cover fish aquariums before use. Keep children and pets off treated carpet and upholstered furniture during treatment and while powder is still visible on their surfaces.

User Safety Recommendations

- User should wash hands with plenty of soap and water before eating, drinking, chewing gum, using tobacco, or using the toilet.
- User should remove clothing immediately if pesticide gets inside. Then wash and put on clean clothing.

FIRST AID

- | | |
|--------------------|---|
| If In Eyes: | <ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice. |
|--------------------|---|

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-781-4738 for emergency medical treatment information.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For Indoor Use Only.

Precautions and Restrictions

Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift.

Applications to pets are prohibited.

Remove pets, birds, and cover fish aquariums before use.

Do not allow adults, children, or pets to enter the treated area until dusts have settled.

Remove or cover exposed food and drinking water before application.

Remove or cover dishes, utensils, food processing equipment, and food preparation surfaces, or wash them before use.

Do not apply more than once a day.

Do not apply as a broad carpet treatment. Only spots less than 3 feet by 3 feet per room may be applied with this product.

Shake Container Well Before Using

{12 oz canister}

[One 12 ounce canister contains enough powder to treat 1 to 2 rooms (150-300 square feet).

When using this product at a lower rate, allow the powder to remain in place for 24 hours before vacuuming. Apply powder more heavily to areas of flooring or furniture on which pets spend most of their time.]

OR

{16 oz canister}

[One 16 ounce canister contains enough powder to treat 1 to 2 rooms (200-400 square feet).

When using this product at a lower rate, allow the powder to remain in place for 24 hours before vacuuming. Apply powder more heavily to areas of flooring or furniture on which pets spend most of their time.]

OR

{20 oz canister}

EPA Reg. No. 2517-81
EPA SAL

[One 20 ounce canister contains enough powder to treat 2 to 3 rooms (250-500 square feet). When using this product at a lower rate, allow the powder to remain in place for 24 hours before vacuuming. Apply powder more heavily to areas of flooring or furniture on which pets spend most of their time.]

Apply to dry surfaces only. Do not wet powder.

Carpets: Shake [Apply] powder evenly across surface. Brush lightly with broom to force powder deep into carpet where fleas and their larvae exist. Wait at least 60 minutes before (lightly) vacuuming to remove visible surface powder. For maximum efficacy [effectiveness], delay vacuuming for up to 24 hours.

Upholstery [& Furnishing]: Remove loose cushions. Sprinkle along creases and into corners. Use a brush to lightly work powder into folds and creases. Vacuum to remove visible powder on surfaces. Do not use on exposed fabric without first testing on a hidden surface for effects on color (staining) or texture. If powder adheres to a spot, brush out and remove with a vacuum immediately.

When emptying vacuum bag after use, wrap contents or disposable bag in several layers of newspaper and discard in trash.

Treat pets with a registered flea and tick control product prior to re-entry.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Store in original container in a cool, dry place inaccessible to children and pets.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Non-refillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

[This container is sold by weight, not by volume. You can be assured of proper weight even though some settling of contents normally occurs during transportation and handling.]

[WARRANTY

Read the entire Directions for Use and Warranty before using this Product. By using this product, user or buyer accepts the following warranty. The directions for use of this product are believed to be adequate and must be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product. Unintended consequences may result because of such factors as weather conditions, presence or absence of other materials, or the manner of application, all of which are beyond the control of Sergeant's. Sergeant's is committed to providing high quality products. To the extent consistent with applicable law, Sergeant's makes no warranties, express or implied, of merchantability or of fitness for a particular purpose or otherwise, that extend beyond statements on this label. To the extent consistent with applicable law, Sergeant's, the manufacturer, or the Seller disclaims any liability whatsoever for special, incidental, or consequential damages resulting from the use of this product. To the extent consistent with applicable law, the exclusive remedy of the user or buyer shall not exceed the purchase price paid.]
