Re: Sergeant's Equine Squeeze-On (EPA Reg. No. 2517-84)  
Submission of a Notification Pursuant to PR 98-10

Dear Mr. LaRocca,

On behalf of my client, Sergeant's Pet Care Products, Inc. (2637 South 158<sup>th</sup> Plaza, Suite 100, Omaha, Nebraska 68130, EPA Company Number 2517), Exponent is submitting a label notification pursuant to PR Notice 98-10 for the EPA registered product Sergeant's Equine Squeeze-On (EPA Registration Number 2517-84). Please find enclosed the following support documents:

- EPA 8570-1 Form; and
- Three copies of the EPA label (one with all notification changes highlighted).

We have not included a confidential statement of formula with this submission as it has not changed in anyway.

The purpose of this notification is to add two alternate brand names (ABN): Sentry Outlaw Equine Squeeze-On Biting Fly and Mosquito Protection and Sentry Outlaw Equine Biting Fly and Mosquito Squeeze-On. Additionally, we have changed the product packaging from one (1) 9 cc applicator to two (2) 4.5 mL and updated the label text to reflect mL's. We have revised the Notice of Warranty text, added a website address, and added a non-emergency information number.

This notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR

152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

If you have any questions, please contact me at (202) 772-4932.

Sincerely,

James Messina  
Authorized Representative of
