OFFICE OF CHEMICAL SAFETY
AND POLLUTION PREVENTION

John Wright
Authorized Representative
Sergeant's Pet Care Products, Inc.
2625 South 158th Plaza
Omaha, NE 68130

Subject: Amended Reregistration Label
Product Name: Cat Flea & Tick Powder
EPA Registration Number: 2517-95
EPA Decision Number: 412263, 410996

Dear Mr. Wright:

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the reregistration of the above referenced product in connection with the pyrethrins and PBO REDs, and has concluded that your submission is acceptable.

NOTE: This product is **not** being reregistered under sections 3(c)5 and 4(g) of FIFRA at this time.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on non-refillable containers. The code may appear either on the label or durably marked on the container itself, and can be added by non-notification per PRN 98-10.

Please note that the record for this product currently contains the Confidential Statement of Formulation (CSF) listed below. Any CSFs other than those listed below are superseded.

- Basic CSF dated >> 12/29/11
- Alternate CSF #1 dated >> 12/29/11
- Alternate CSF #2 dated >> 12/29/11
- Alternate CSF #3 dated >> 12/29/11

A copy of your label is enclosed along with copies of the acute toxicity and product chemistry reviews completed for the subject product. Products shipped after 12 months from the date of this amendment or the next printing of the label whichever occurs first, must bear the new

revised label. Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e).

If you have any questions about this letter, please contact Gene Benbow at 703-347-0235 or benbow.gene@epa.gov.

Sincerely,

Richard J. Gebken
Product Manager (10)
Insecticide Branch
Registration Division (7504P)

<p>Have the product container with you when calling a poison control center, doctor or veterinarian, or going for treatment. You may also contact 1-800-781-4738 for emergency medical treatment information.</p>	

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use Restrictions:

Do not apply to pets less than 12 weeks old.

Consult a veterinarian before applying this product on medicated, debilitated, aged, pregnant, or nursing animals. Sensitivities may occur after using any pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

Except when applying to cats, do not allow adults, children or pets to enter until dusts have settled.

Except when applying to cats, do not apply this product in a way that will contact adults, children or pets, either directly or through drift.

Only apply as a spot treatment to areas no greater than 3 feet by 3 feet per room.

Remove or cover exposed food and drinking water before application.

Remove or cover dishes, utensils, food processing equipment, and food preparation surfaces, or wash them before use.

Pet Premise Treatment:

Only apply as a spot treatment to areas no greater than 3 feet by 3 feet per room.

For use on cats and kittens older than 12 weeks: To control fleas, ticks and lice on cats, generously apply powder over the entire body. To ensure thorough coverage, rub dust into hair, and on legs, feet, between toes and pads. In addition, follow application with a complete brushing of the cat's hair to remove dead insects. Dust bedding, kennel and sleeping areas regularly. Repeat as necessary but do not treat more than once a week. Pets may be treated indoors or outdoors. In order to help reduce the occurrence of fleas and ticks, this product is best if used year round.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Store this product in original container in a cool, dry area inaccessible to children and pets and away from heat and sunlight. Avoid exposure to moisture. **PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Nonrefillable container. Do not reuse or refill this container. **If empty:** Offer for recycling, if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
