Sergeant's Pet Care Products, LLC  
10077 South 134th Street  
Omaha, NE 68138-3710

Subject: Label Amendment - Registration Review Mitigation for Etofenprox  
Product Name: SERGEANT'S FIPRONIL + ETOFENPROX + METHOPRENE SQUEEZE-  
ON FOR DOGS  
EPA Registration Number: 2517-154  
Application Date: 04/30/2024  
Decision Number: 595725

Dear Prince M. Bamaze:

The Agency, in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, has completed reviewing all the information submitted with your application to support the Registration Review of the above referenced product in connection with the Etofenprox Interim Decision, and has concluded that your submission is acceptable. The label referred to above, submitted in connection with registration under FIFRA, as amended, is acceptable.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling and must be used at your next label printing. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 12 months from the date of this letter. After 12 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

If you have any questions about this letter, please contact DeMariah Cotton by phone at (202)-566-2288 or via email at [cotton.demariah@epa.gov](mailto:cotton.demariah@epa.gov).

Sincerely,

A handwritten signature in blue ink, appearing to read 'Linda Arrington', with a stylized flourish at the end.

Linda Arrington, Branch Chief  
Risk Management and Implementation Branch 4

## DIRECTIONS FOR USE

**It is a violation of Federal law to use this product in a manner inconsistent with its labeling.**

For indoor use only. Do not allow children to apply product. To prevent harm to you and your dog, read entire label before each use. Follow all directions and precautionary statements carefully. Dog must be dry at time of application and remain dry for 24 hours after application. Application of product on pets must only be done indoors.

**RESTRICTIONS:** Do not use on cats, rabbits or animals other than dogs. Do not allow [your] dog to ingest this product. Do not use on puppies under 13 weeks of age or less than [4][23][45][89] lbs. Do not bathe or allow dog to swim for 24 hours after application. Use entire contents of [tube] [vial] on each dog. [Do not split one [tube] [vial] between dogs.] [Do not use multiple [tube] [vial] on one dog.] Do not apply more than one [tube] [vial] per treatment for one dog regardless of dog's weight. Weigh [your] dog to be sure you are applying the right dose formulated for the weight of [your] dog. Separate the treated dog from all other dogs and cats for 24 hours after treatment has been applied. Do not apply more often than once every [4 weeks][30 days][month].

{Side Effects box to be located immediately above the cat warning box on the back label panel}

**Side Effects:** Monitor your dog after application. [Some dogs may experience temporary startle effects when any product is applied.] Dogs may experience [some] temporary irritation at the site of product application such as redness, scratching or other signs of discomfort. If signs of sensitivity occur, bathe your dog with a mild soap and rinse with large amounts of water. If any side effects occur or your dog has an unusual reaction to the application, consult your veterinarian or call 1-800-781-4738. Consult your veterinarian before repeating application.

{A minimum of 1.5cm x 1.5cm cat prohibition icon and warning text will be in a box in the lower right-hand corner of the back panel, with a black cat + red circle and line through the cat, black text, on white background to ensure easy spotting}

**DO NOT USE ON CATS.** Keep cats away from treated dogs for 24 hours. If applied to a cat or ingested by a cat, contact your veterinarian.

{How to Apply - May contain graphics illustrating product use, e.g., dog with a drop falling onto its neck from a vial on front, side, or back carton label and/or applicator labeling.}

{Either the paragraph or number format presented below will be used on the market label}

**[How to open:** Remove product tubes [vial] from the package. [Separate one tube from the others.] Hold the [tube] [vial] with notched end pointing up and away from the face and body. Use scissors to cut off the narrow end at the notches along the lines.]

### **[How to open:**

1. Remove product tubes [vial] from the package.
2. [Separate one tube from the others.] Hold the tube [vial] with notched end pointing up and away from the face and body. Use scissors to cut off the narrow end at the notches along the line.]

{Either the paragraph or number format presented below will be used on the market label}

**[How to apply:** Invert [tube][vial] over dog and use open end to part dog's hair. Squeeze [tube][vial] firmly to

apply all of the solution to the dog's skin, as directed below. Do not apply more often than once every [4 weeks][30 days][month].]

Apply one [tube][vial] [directly to skin] [from the back of the neck to a point midway between the neck and tail.] [as a spot [on] [to] the dog's back between the shoulder blades] [as a [stripe][line] starting [at the middle of the back][at a midway point between the neck and tail] and ending [at a spot] between the shoulder blades]. [This allows for a more direct application to the skin.]

## [How to apply:

1. Invert [tube][vial] over dog and use open end to part dog's hair.
2. Squeeze [tube][vial] firmly to apply all of the solution to the dog's skin [as a spot [on] [to] the dog's back between the shoulder blades.] [or] [from the back of the neck to a point midway between the neck and tail.] [Optional drawings that may or may not appear anywhere on finished label]]

## FREQUENCY OF APPLICATION

Use [Brand Name] [this product] monthly for control of flea, tick, [and] chewing lice [and mosquito]. [Studies show that] [Brand Name][this product] kills adult fleas for up to three months. Apply monthly if your dog is at high risk for flea reinfestation [, or in a highly infested environment]. Apply monthly to control ticks[, [mosquitoes] and chewing lice. [Brand Name] [This product] remains effective even after bathing, water immersion, or exposure to sunlight. Allow treated area to dry for 24 hours. Do not reapply for [30 days] [4 weeks].

## STORAGE AND DISPOSAL

**PESTICIDE STORAGE:** Do not remove tube from the pack until ready to use. Store in a cool [below 77°F [/[25°C]] dry place inaccessible to children and pets. Do not refrigerate. Protect from direct sunlight.

**PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Non-refillable container. Do not reuse or refill this container. **If empty:** Offer for recycling if available. **If partly filled:** Do not pour or dispose down the drain or sewer. Call your local solid waste agency for local disposal options.

weeks][30 days][month].]

Apply one [tube][vial] [directly to skin] [from the back of the neck to a point midway between the neck and tail.] [as a spot [on] [to] the dog's back between the shoulder blades] [as a [stripe][line] starting [at the middle of the back][at a midway point between the neck and tail] and ending [at a spot] between the shoulder blades].  
[This allows for a more direct application to the skin.]

## [How to apply:

1. Invert [tube][vial] over dog and use open end to part dog's hair.
2. Squeeze [tube][vial] firmly to apply all of the solution to the dog's skin [as a spot [on] [to] the dog's back between the shoulder blades.] [or] [from the back of the neck to a point midway between the neck and tail.] {Optional drawings that may or may not appear anywhere on finished label}

## FREQUENCY OF APPLICATION

Use [Brand Name] [this product] monthly for control of flea, tick, [and] chewing lice [and mosquito]. [Studies show that] [Brand Name][this product] kills adult fleas for up to three months. Apply monthly if your dog is at high risk for flea reinfestation [, or in a highly infested environment]. Apply monthly to control ticks[,] [mosquitoes] and chewing lice. [Brand Name] [This product] remains effective even after bathing, water immersion, or exposure to sunlight. Allow treated area to dry for 24 hours. Do not reapply for [1 month] [30 days] [4 weeks].

## STORAGE AND DISPOSAL

**PESTICIDE STORAGE:** Do not remove tube from the pack until ready to use. Store in a cool [below 77°F [/][25°C]] dry place inaccessible to children and pets. Do not refrigerate. Protect from direct sunlight.

**PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Non-refillable container. Do not reuse or refill this container. **If empty:** Offer for recycling if available. **If partly filled:** Do not pour or dispose down the drain or sewer. Call your local solid waste agency for local disposal options.
