JUN 03 2014

Authorized Agent for: Sergeant's Pet Care Products, Inc.
10077 South 134th Street
Omaha, NE 68138-3710

Dear Ms. Chadbourne:

Subject: Rodspray Indoor-Outdoor Crawling Insect Killer
EPA Registration Number 2517-159
Your submissions dated April 8 and May 13, 2014
Label amendment; alternate brand names and other label revisions
OPP Decision Number D490120

The amendment referred to above, submitted in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable.

Please be reminded that 40 CFR 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on nonrefillable containers. The code may appear on the label or durably marked on the container itself.

A stamped copy of the label is enclosed for your records. Submit one copy of the revised final printed label for the record before you release the product for shipment. If you have any questions, do not hesitate to contact Rita Kumar at (703) 308-8291, or kumar.rita@epa.gov.

Yours Sincerely,

A handwritten signature in black ink, appearing to read "M F Laws".

for
Meredith F. Laws
Chief, Insecticide-Rodenticide Branch
Registration Division (7505P)

PRECAUTIONARY STATEMENTS

FIRST AID

If Swallowed: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give **any** liquid to the person. Do not give anything by mouth to an unconscious person.
Note to Physician: Contains petroleum distillate. Vomiting may cause aspiration pneumonia.

Physical or Chemical Hazards

Contents under pressure. Do not use near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Restriction: Do not spray plants, animals or food.

Two-Way Spray: Press button *very lightly* to get a narrow stream for insects hiding in cracks and crevices. Press *firmly* for a fine mist to spray surfaces where the listed insect pests crawl. Pests must be directly sprayed in order to be killed.

Indoors

This product has been accepted by the U.S. Department of Agriculture for use according to label directions in official Federal meat, poultry and egg producing establishments.

To Kill Listed Crawling Pests: In a well-ventilated room, with nozzle pointing away from your face, directly spray pests that you see. May be used in structures such as homes, restaurants, hospitals, schools and food processing establishments. Specific sites where these pests may be found include kitchen cabinets, drawers and closets, under sinks and in wall and floor cracks and crevices. May be used in both edible and non-edible product areas of Federally-approved meat, poultry and egg producing establishments.

To Kill Fleas: Before spraying, test a corner of fabric for compatibility. Hold container tilted down away from your face and with a sweeping side-to-side motion spray carpets, rugs, dog and cat bedding and under furniture. Fleas contacted with the spray will be killed. [One 15 oz. container treats 200 sq. ft.] [One 12 oz. container treats 160 sq. ft.] {or other appropriate conversion based on container size}

Outdoors (for spot treatment only)

To Kill Listed Crawling Pests Outdoors, Including Barbeque and Picnic Areas: Hold container upright. Spray away from your face sufficiently to wet ants and spiders††* that you see. Specific areas where you see these pests include outside buildings, windows, doors and sidewalks. Apply as a spot treatment only.

STORAGE AND DISPOSAL

Pesticide Storage: Store container in a cool, dry place.

Pesticide Container/Disposal: Non-refillable container, do not refill or reuse this container. Do not puncture or incinerate! **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions.

*{the following are required when any of the optional marketing statements containing † or †† or * are used}*

†excluding Carpenter Ants, but including Pharaoh Ants, Harvester Ants and Fire Ants

†† except black widow and brown recluse

*Except in California
