Prince Bamaze
Manager Regulatory Affairs
Sergeant's Pet Care Products, LLC
10077 South 134th Street
Omaha, NE 68138-3710

Subject: Label Amendment - Registration Review Mitigation for Cyphenothrin
Product Name: Sergeant's Fipronil + Cyphenothrin + Methoprene BOV Spray for Dogs
EPA Registration Number: 2517-161
Case Number: 478712
Application Date: January 20, 2021

Dear Prince Bamaze:

The Agency, in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, has completed reviewing all the information submitted with your application to support the Registration Review of the above referenced product in connection with the Cyphenothrin Interim Decision, and has concluded that your submission is acceptable. The label referred to above, submitted in connection with registration under FIFRA, as amended, is acceptable.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling and must be used at your next label printing. You must

submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 12 months from the date of this letter. After 12 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

If you have any questions about this letter, please contact Theodore Varns by phone at 202-566-2241, or via email at varns.theodore@epa.gov.

Sincerely,

A handwritten signature in dark ink, appearing to read "Kevin Costello", is positioned above the typed name.

Kevin Costello, Branch Chief
Risk Management and Implementation Branch 2
Pesticide Re-Evaluation Division
Office of Pesticide Programs

BACK PANEL Sergeant's Fipronil + Cyphenothrin + Methoprene BOV Spray for Dogs

READ ENTIRE LABEL BEFORE EACH USE
USE ONLY ON DOGS AND PUPPIES OVER 12 WEEKS OF AGE

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS. WARNING. Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Harmful if swallowed or if inhaled. Avoid breathing spray mist. Avoid contact with skin. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse. Persons applying this product must wear rubber gloves.

HAZARDS TO DOMESTIC ANIMALS. For external use only. Causes moderate eye irritation. Take care not to spray in the dog's eyes or facial area. Do not use on puppies under 12 weeks of age. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. Certain medications can interact with pesticides. Consult a veterinarian before using this product on medicated, debilitated, aged, pregnant or nursing animals.

PHYSICAL OR CHEMICAL HAZARDS

EXTREMELY FLAMMABLE: Contents under pressure. Keep away from fire, sparks and heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

FIRST AID	
If in eyes:	• Hold eyes open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. • Call a poison control center or doctor immediately for treatment advice.
If on skin or clothing:	• Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
If inhaled:	• Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. • Call a poison control center or doctor for further treatment advice.
If swallowed:	• Call a poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by a poison control center or doctor. • Do not give anything to an unconscious person.
HOT LINE NUMBER	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-781-4783 for emergency medical treatment information or health concerns, or pesticide incidents.	

[Brand Name] [This product] controls infestations by killing fleas and ticks for at least [30 days][4 weeks][1 month]. [May provide 90 day flea protection for dogs.] Stops and prevents infestation of fleas

and ticks (brown dog ticks, American dog ticks, lone star ticks, and deer ticks (which may transmit Lyme disease)). Apply [Brand Name] [this product] to dogs and puppies (12 weeks or older) as follows.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For indoor use only. Do not allow children to apply product. To prevent harm to you and your dog, read entire label and attached directions before each use. Follow all directions and precautionary statements carefully. Use only on dogs. Do not use on rabbits or any other animals. Application of product on pets must only be done indoors.

1. Wear rubber gloves.
2. Hold canister in any position. Ruffle the dog's hair with one gloved hand while applying spray to the dog's back, sides, abdomen, legs, shoulders and neck.
3. For head and eye area, spray [Brand Name] on a gloved hand and rub gently into dog's hair.

[Label graphics options]

Wear protective rubber gloves.

Pinch N' Pull™

Hold canister in any position. Ruffle the dog's hair with one gloved hand while applying spray to the dog's back, sides, abdomen, legs, shoulders and neck.

For head and eye area, spray [Brand Name] on a gloved hand and rub gently into dog's hair.

Do not get this product in your dog's eyes or mouth. Apply spray until dog's hair is damp to thoroughly wet. Spray 2 seconds per pound of the dog body weight.

[Replace cap securely after each use.]

As with any flea control product, wash hands and exposed skin thoroughly with soap and water after use. Dispose of gloves after use.

Apply [Brand Name][this product] monthly. Application directly to ticks is not required for control. Do not reapply spray for 30 days.

[Brand Name] [This product] remains effective after bathing and exposure to water and sunlight.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Store in original container. Keep away from fire, sparks and heated surfaces. Store in a cool, dry place inaccessible to children and pets.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Do not puncture or incinerate! Non-refillable container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Do not pour or dispose down the drain or sewer. Call your local solid waste agency for local disposal options.
