

U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs
Registration Division (7505P)
1200 Pennsylvania Avenue, N.W.
Washington, D.C. 20460

NOTICE OF PESTICIDE:

- X Registration
Reregistration

(Under FIFRA as amended)

EPA Reg. Number: 2517-163

Date of Issuance:

JUN 19 2014

Term of Issuance: Conditional

Name of Pesticide Product: Sergeant's Fipronil + Etofenprox BOV Spray for Dogs and Cats

Name and Address of Registrant (include ZIP Code):

Sergeant's Pet Care Products, Inc.
10077 South 134th Street
Omaha, NE 63138-3710

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A), provided that you:

- 1. You will submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. You will make the following label changes before you release the product for shipment:
a. Revise the EPA Registration Number to read "EPA Registration 2517-163.

Signature of Approving Official:

Date:

See page 2

JUN 19 2014

2/10

page 2

EPA Reg. No. 2517-163

3. Submit and/or cite all data required for reregistration/registration review of your product under FIFRA when the Agency requires all registrants of similar products to submit such data. See the data requirements in DCI ID# GDCI-128965-95 issued June 28, 2012, for ethofenprox. For information on the DCI's you may contact Ms. Wilhelmena Livingston in the OPP Product Re-evaluation Division at 703-308-8025 or by email at Livingston.wilhelmena@epa.gov.

4. See the data requirements in DCI ID# GDCI-129121-1305 issued March 14, 2013 for fipronil. For information on the DCI's you may contact Ms. Susan Bartow in the OPP Product Re-evaluation Division at 703-603-0065 or by email at Bartow.Susan@epa.gov.

5. You must generate a one year storage stability and corrosion characteristics study corresponding to guideline 830.6317 on the proposed product. It is required that the observations be made at 0, 3, 6, 9, and 12 month intervals. The results must be submitted to the Agency in electronic and hard copy format.

~~If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.~~

A copy of your label stamped "Accepted "is enclosed for your records. If you have any questions concerning this action, please contact Linda A. DeLuise of my team at (703) 305-5428.

Sincerely yours,

Richard Gebken
Product Manager (10)
Insecticide Branch
Registration Division (7505P)
