WASHINGTON, D.C. 20460

February 28, 2025

Prince M. Bamaze  
Regulatory Affairs  
Sergeant's Pet Care Products, LLC  
10077 South 134th Street  
Omaha, NE 68138-3710

Subject: Label Amendment - Registration Review Mitigation for Etofenprox and  
Pyriproxyfen  
Product Name: SERGEANT'S FIPRONIL + ETOFENPROX + PYRIPROXYFEN BOV  
SPRAY FOR DOGS AND CATS  
EPA Registration Number: 2517-165  
Application Date: 4/15/24  
Decision Numbers: 595643, 596698

Dear Prince M. Bamaze:

The Agency, in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, has completed reviewing all the information submitted with your application to support the Registration Review of the above referenced product in connection with the Etofenprox and Pyriproxyfen Interim Decisions, and has concluded that your submission is acceptable. The label referred to above, submitted in connection with registration under FIFRA, as amended, is acceptable.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling and must be used at your next label printing. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 12 months from the date of this letter. After 12 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

If you have any questions about this letter, please contact DeMariah Cotton by phone at (202)-566-2288 or via email at [cotton.demariah@epa.gov](mailto:cotton.demariah@epa.gov).

Sincerely,

A handwritten signature in blue ink, appearing to read "Linda Arrington", with a stylized flourish at the end.

Linda Arrington, Branch Chief  
Risk Management and Implementation Branch 4  
Pesticide Re-Evaluation Division  
Office of Pesticide Programs

## READ ENTIRE LABEL BEFORE EACH USE

**USE ONLY ON [DOGS AND PUPPIES][AND][CATS AND KITTENS] OVER 12 WEEKS OF AGE**

## PRECAUTIONARY STATEMENTS

**HAZARDS TO HUMANS. CAUTION.** Harmful if swallowed. Causes moderate eye irritation. [Avoid breathing spray mist.] Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Avoid contact with eyes or clothing. Persons applying this product must wear chemical-resistant gloves made of (*Butyl, Nitrile, Neoprene, Viton or Barrier®*).

**HAZARDS TO DOMESTIC ANIMALS.** For external use only. Causes moderate eye irritation. Take care not to spray in the [dog's][cat's][dog's or cat's] eyes or facial area. **Do not use on [puppies] [or] [kittens] under 12 weeks of age.** Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. Certain medications can interact with pesticides. Consult a veterinarian before using this product on medicated, debilitated, aged, pregnant or nursing animals.

## PHYSICAL OR CHEMICAL HAZARDS

**EXTREMELY FLAMMABLE:** Contents under pressure. Keep away from fire, sparks and heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

## FIRST AID

If swallowed:	<ul style="list-style-type: none"><li>• Call a poison control center or doctor immediately for treatment advice.</li><li>• Have person sip a glass of water if able to swallow.</li><li>• Do not induce vomiting unless told to do so by a poison control center or doctor.</li><li>• Do not give anything to an unconscious person.</li></ul>
If in eyes:	<ul style="list-style-type: none"><li>• Hold eyes open and rinse slowly and gently with water for 15-20 minutes.</li><li>• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.</li><li>• Call a poison control center or doctor for treatment advice.</li></ul>
If inhaled:	<ul style="list-style-type: none"><li>• Move person to fresh air.</li><li>• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.</li><li>• Call a poison control center or doctor for further treatment advice.</li></ul>
If on skin or clothing:	<ul style="list-style-type: none"><li>• Take off contaminated clothing.</li><li>• Rinse skin immediately with plenty of water for 15-20 minutes.</li><li>• Call a poison control center or doctor for treatment advice.</li></ul>

## HOT LINE NUMBER

**NOTE TO PHYSICIAN:** Treat patient symptomatically. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-781-4783 for emergency medical treatment information.

[Brand Name] [This product] controls infestations by killing fleas and ticks for at least [30 days][4 weeks][1 month]. [May protect dogs against fleas for up to 90 days] Stops and prevents infestation of

fleas and ticks (brown dog ticks, American dog ticks, lone star ticks, and deer ticks (which may transmit Lyme disease)). Follow Directions for Use to apply [Brand Name][this product] to [dogs and puppies] [and] [cats and kittens] (12 weeks or older).

## DIRECTIONS FOR USE

**It is a violation of Federal law to use this product in a manner inconsistent with its labeling.**

For indoor use only. Do not allow children to apply product. To prevent harm to you and your dog, read entire label and attached directions before each use. Follow all directions and precautionary statements carefully. Use only on [dogs][and][or][cats]. Do not use on rabbits or any other animals. Application of product on pets must only be done indoors.

1. Wear chemical-resistant gloves made of (*Butyl, Nitrile, Neoprene, Viton or Barrier®*).
2. Hold canister in any position. Ruffle the [dog's][or][cat's] hair with one gloved hand while applying spray to the [dog's][or][cat's] back, sides, abdomen, legs, shoulders and neck.
3. For head and eye area, spray [Brand Name][this product] on a gloved hand and rub gently into [dog's][or][cat's] hair.

Do not get this product in your [dog's][or][cat's] eyes or mouth. Apply spray until [your] [dog's] [or] [cat's] hair is damp to thoroughly wet.

For use on dogs: Spray 2 seconds per pound of the dog's body weight. {and/or}

For use on cats: Spray 1 to 2 seconds per pound of the cat's body weight. Cats with long or dense hair will require the higher rate.

[Replace cap securely after each use.]

As with any flea control product, wash hands and exposed skin thoroughly with soap and water after use. Dispose of gloves after use.

Apply [Brand Name][this product] monthly. Application directly to ticks is not required for control. Do not reapply spray for 30 days.

[Brand Name][This product] remains effective after bathing and exposure to water and sunlight.
