Subject: Notice of Extension of Conditional Registrations until February 3, 2020

Dear Mr. Bamaze:

This letter is in reference to your request dated November 1, 2017 to extend the conditional time-limited registration for:

Sergeant's 9.1% Imidacloprid Squeeze On for Dogs

EPA Reg. No. 2517-174

The referenced registration contains conditions calling for the registration to expire two years from 2/3/16. Additionally, your company is required to adhere to the spot-on label mitigation, submit quarterly enhanced incident reports and quarterly sales information as stated in the registration letter dated 2/3/16 for the above registration.

The Agency has found Sergeant's (d/b/a Perrigo Animal Health) in compliance with the terms and conditions for the subject product. Your email dated 1/31/2018, stating that the product has not been released for shipment as of this date, has been added to the product file. The Agency is therefore granting the request to extend the 2-year time-limited registration restriction. As such, the following change is being made to the terms and conditions of the product listed above:

- **The 2-year time-limited registration restriction has been extended an additional two (2) years. The new expiration date for the subject product registrations is now February 3, 2020.**

Please note that this product continues to be subject to existing conditions of its registration and any deadlines connected with them. If you have any questions, please contact the product manager, Venus Eagle at eagle.venus@epa.gov or (703) 308-8045.

Regards,
