

**PRECAUTIONARY STATEMENTS**  
Hazards To Humans  
(and Domestic Animals)

**CAUTION**

Irritating to skin and eyes.  
Do not get in the eyes.  
Avoid skin contact.  
Wash thoroughly with soap and water after use.  
Avoid inhaling mist spray.

**ANTIDOTE:**

In case of contact, immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists.

Do not remain in treated areas. Ventilate the area after treatment is completed.

Avoid contamination of feeding utensils, food, and water supplies.

Remove fish and birds and other domestic pets from room during spraying and keep out of room until spray is dry.

Do not spray directly on pets, domestic livestock, or on dairy animals.

Do not give as internal treatment to animals.

Do not use in milk houses, dairy barns or milk processing plants.

Do not apply directly to food.

Do not apply space spraying while food processing is under way.

Food processing operations do not have to be stopped while applying a wet spray with care and in accordance with the directions and cautions indicated.

Destroy any contaminated food, feed or raw ingredients.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish. Keep out of any body of water. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

**PHYSICAL OR CHEMICAL HAZARDS**

Keep container closed when not in use.

Keep away from heat and open flame.

**DIRECTIONS FOR USE**

This is a statement of Federal law to use this product in a manner consistent with its labeling.

**MAX KILL CONTACTICIDE 2** is a contact READY TO USE insecticide designed for use in flour mills, feed mills, feed and food processing plants, cereal grain processing plants, grain elevators, granaries, shipboard stores, poultry raisers, grain trucks, warehouses, feed and seed stores, grocery stores, restaurants, and hotels.

**WHEN USED AS A SPRAY** in mills, cereal grain processing plants, grain handling facilities (elevators, granaries) for the control of accessible stages of the granary weevil, rice weevil, cadelle, confused flour beetle, saw-toothed grain beetle, lesser grain borer, and other listed crawling insects: Spray floors, walls and other surfaces of bins, storage and handling areas thoroughly, with particular attention to cracks, crevices, and similar protected locations. Waste grain, dust, dirt, and debris should be removed and destroyed, and storage areas thoroughly cleaned before spraying. Treat unloading, handling and processing areas, as well as empty conveying, processing and handling equipment, for example the inside of reel sifters, purifier conveyors, sifters, roll housings and trip pans, and up conveyors, etc. Spray thoroughly around the base of heavy machinery and equipment. Let sprayed surface thoroughly dry before using. One gallon will cover 750 square feet of non-absorbent surface.

**AS A PROTECTANT** in empty boxcars, grain trucks, barges and shipholds for the control of accessible stages of the granary weevil, rice weevil, cadelle, confused flour beetle, saw-toothed grain beetle, lesser grain borer and other listed crawling insects: spray the floors, walls, beams, cracks, crevices and other protected harborage points until surfaces are wet. A tank-type sprayer may be used utilizing low pressures. Allow for complete drying before loading. One gallon will cover 750 square feet of non-absorbent surface.

**WHEN USED AS A SPRAY** in food plants, grocery stores, hotels, feed and seed stores and restaurants for the control of accessible stages of cockroaches, silverfish, spiders, ants, crickets, and listed cereal grain insects: use a sprayer which can operate at a low pressure and which will produce a coarse non-misting spray pattern. Avoid contamination of feed or foodstuffs as well as utensils or other food containers. Spray the floors, mold boards, cracks, crevices and other areas where insects are known to hide. (See other precautions on side panel.) Apply spray until areas are wet but not to point of run-off. One gallon will cover 750 square feet of non-absorbent surface.

**WHEN USED AS A FOG** for Indian meal moth, angoumois grain moth, hornets, wasps, gnats, mosquitoes, flies and accessible stages of listed cereal grain insects in mills, elevators and empty granaries or grain bins: use a mechanical or air-operated fogging apparatus and MAX KILL CONTACTICIDE 2 at the rate of one quart per 5,000 cubic feet. Close all doors and windows before application and leave closed for 30 minutes after total dosage has been applied to allow for settling.

**WHEN USED AS A FOG** in empty boxcars, van type grain trucks, barges and ship holds for the control of accessible stages of the granary weevil, rice weevil, cadelle, confused flour beetle, saw-toothed grain beetle, lesser grain borer and listed flying insects: use a mechanical or air-operated fogging apparatus and MAX KILL CONTACTICIDE 2 at the rate of one quart per 5,000 cubic feet. Close all doors and hatches before applying and leave closed for 30 minutes after total dosage has been applied to allow for settling.

**WHEN USED AS A FOG** in boxcars or van type trucks containing bagged flour or feed for the control of listed flying insects and accessible stages of listed cereal grain insects: cover the bags with either paper or plastic tarps and apply at the rate of 8 ounces (1/2 pint) per 1,000 cubic feet of unoccupied space. Close all doors before applying and leave closed for 30 minutes after total dosage has been applied.

### STORAGE AND DISPOSAL

#### PROHIBITIONS

Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.

#### PESTICIDE DISPOSAL

Pesticide spray mixture, or residue that cannot be used or chemically processed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies.

#### CONTAINER DISPOSAL

(a) Reseal container, and offer for reconditioning or  
(b) Triple rinse (or equivalent) and  
offer for recycling, reconditioning, or disposal in approved landfill, or bury in a safe place.

#### GENERAL

CONSULT FEDERAL, STATE OR LOCAL DISPOSAL AUTHORITIES  
FOR APPROVED ALTERNATIVE PROCEDURES.

#### Non Warranty

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
